

PROMINENT PHYSICIANS PRESCRIBE PE-RU-NA.

Dr. M. C. Gee, of San Francisco, Says, "Pe-ru-na is of Especial Benefit to Women."

ROBERT R. ROBERTS, M. D.

Robert R. Roberts, M. D., Washington, D. C., writes: "Through my own experience as well as that of many of my friends and acquaintances who have been cured or relieved of catarrh by the use of Hartman's Peruna, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my patients."—Robert R. Roberts.

F. H. Brand, M. D.

"This is only one case of the many I have treated with your valuable medicine."—F. H. Brand, M. D.

the lungs, stomach, kidneys, bladder and other pelvic organs have been cured by Peruna. Peruna is able to cure catarrh wherever it may be located by its direct action upon the mucous membranes. Catarrh means inflamed mucous membranes. Peruna acts at once to cleanse and invigorate the catarrhal condition of the mucous membrane no matter where it may occur in the body. Its action is the same on the mucous lining of the nose as on the mucous lining of the bowels. It cures the catarrhal inflammation wherever it may occur.

Dr. R. Robbins, Muskegon, I. T., writes: "Peruna is the best medicine I know of for cough and to strengthen a weak stomach and to give appetite. Beside prescribing it for catarrh, I have ordered it for weak and debilitated people, and have not had a patient but said it helped him. It is an excellent medicine and it fits so many cases.

"I have a large practice, and have a chance to prescribe your Peruna. I hope you may live long to do good to the sick and suffering.

We say Peruna cures catarrh. The people say Peruna cures Catarrh. Prominent men and women all over the United States from Maine to California do not hesitate to come out in public print to say that Peruna is what it is recommended to be, an internal, systemic catarrh remedy that cures catarrh wherever it may be located.

Dr. M. C. Gee's Experience.
Dr. M. C. Gee is one of the physicians who endorse Peruna. In a letter written from 513 Jones street, San Francisco, Cal. he says:

"There is a general objection on the part of the practicing physician to advocate patent medicines. But when any one medicine cures hundreds of people, it demonstrates its own value and does not need the endorsement of the profession.

"Peruna has performed so many wonderful cures in San Francisco that I am convinced that it is a valuable remedy. I have frequently advised its use for women, as I find it insures regular and painless menstruation, cures leucorrhoea and ovarian troubles, and builds up the entire system. I also consider it one of the finest catarrh remedies I know of. I heartily endorse your medicine."—M. C. Gee, M. D.

Women are especially liable to pelvic catarrh, female weakness as it is commonly called. Especially in the hot and disagreeable symptoms of female weakness make themselves apparent. In crisp, cold weather chronic sufferers with pelvic catarrh do not feel so persistently the debilitating effects of the drain upon the system, but at the approach of summer, with its lassitude and tired feelings, the sufferer with pelvic catarrh feels the need of a strengthening tonic.

Peruna is not only the best spring tonic for such cases, but if persisted in will effect a complete cure. Write for a copy of "Health and Beauty," written especially for women by Dr. Hartman. If you want to read of some cures also, write for a copy of "Facts and Faces." That will surely convince you that our claims are valid.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address: Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

A CONSTANTLY increasing number of physicians prescribe Peruna in their regular practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommend it to their patients. Peruna occupies a unique position in medical science. It is the only internal systemic catarrh remedy known to the medical profession to-day. Catarrh, as every one will admit, is the cause of one-half the diseases which afflict mankind. Catarrh and catarrhal diseases afflict one-half of the people of United States.

F. H. Brand, M. D., of Mokena, Ill., uses Peruna in his practice. The following case is an example of the success he has through the use of Peruna for catarrh.

Dr. Brand says: "Mrs. 'C.' age 28, had been a sufferer from catarrh for the past seven years; could not hear plain and had watery eyes. She came to me almost a physical wreck. She had tried the Copeland cures and various other so-called specialists, and had derived no benefit from them. She told me she did not want to spend any more money on medicines unless I could assure her relief.

"I put her on Peruna and told her to come back in two weeks. The effects were wonderful. The cast-down look she had when I first saw her had left her and a smile adorned her face. She told me she felt a different woman, her hearing was improved and her eyes did not trouble her any more.

"This is only one case of the many I have treated with your valuable medicine."—F. H. Brand, M. D.

FOLLOWS FATHER'S FOOTSTEPS.

George Gould's Ability Shown in Managing the Vast Estate.

But two of the late Jay Gould's four sons were in business when he died in 1892. They were the two elder sons, George J. and Edwin, says the Kansas City Journal.

George Gould took to business early. Despite his father's entreaties, he would not take a college course, preferring to go into a office. His father, therefore, secured for him a junior partnership in the brokerage firm of Connor & Co., at the head of which was Jay Gould's old broker and intimate friend, Washington Connor.

George's extreme economies, it is said, led to disagreements, and the partnership was dissolved. The young man had been apt and industrious, however, and so his father took him into his own office and gave him an opportunity to become familiar with the details of the great business.

George was a studious young man and stuck closely to business. He rapidly mastered the details of departments, and soon was taking inspection work and other responsible duties off his father's shoulders.

At the time of his father's death George Gould was his chief adviser and was practically at the head of the railroad end of the business, for which he has always shown a preference.

He was able to take full charge of the business in 1892, and the various enterprises have prospered immensely under his management. The Missouri Pacific and kindred interests have been his special care, and until the recent transfer of Manhattan Elevated interests to August Belmont he was president of that company.

George Gould is estimated to be worth about \$30,000,000.

All four of the Gould boys are members of the Stock Exchange, George having entered it in 1896. He is, however, rarely, if ever, seen on the floor.

Hard to Bear.
When the back aches and pains so badly, can't work, can't rest, can't sleep, can't eat, it's hard to bear. Thousands of aching backs have been relieved and cured. People are learning that backache pains come from disordered kidneys, that Doan's Kidney Pills cure every kidney ill—cure Bladder Troubles, urinary derangements, Dropsy, Diabetes, Bright's disease. Read this testimony to the merit of the greatest of Kidney Specifics.

J. W. Walls, Superintendent of Streets of Lebanon, Kentucky, living on East Main street in that city, says: "With my nightly rest broken, owing to irregularities of the kidneys, suffering intensely from severe pains in the small of my back and through the kidneys, and annoyed by painful passages of abnormal secretions, life was anything but pleasant for me. No amount of doctoring relieved this condition, and for the reason that nothing seemed to give me even temporary relief, I became about discouraged. One day I noticed in the newspapers the case of a man who was afflicted as I was, and was cured by the use of Doan's Kidney Pills. His words of praise for this remedy were so sincere that on the strength of his statement I went to the High Murrey Drug Co.'s store and got a box. I found that the medicine was exactly as powerful a kidney remedy as represented. I experienced quick and lasting relief. Doan's Kidney Pills will prove a blessing to all sufferers from kidney disorders who will give them a fair trial."

A FREE TRIAL of this great kidney medicine which cured Mr. Walls will be mailed to any part of the United States on application. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists. Price 50 cents per box.

The best sailing vessel flying the American flag is the steel four-master Atlas, which arrived at Baltimore a few days ago after a run of 15,300 miles from Hong Kong in ninety-two days. The Atlas averaged 172 miles a day, and 7½ knots an hour. Her best day's run was 312 miles, at the rate of 12½ knots an hour. This breaks all authentic records, except that of the bark Amy Turner, which made the run from Hong Kong to the Virginia coast in eighty-seven days. The Atlas beat out of sight the British bark Kelat, which cleared for New York eleven days ahead of the Atlas. The English captain boasted the sailing qualities of his vessel, but at the time the Atlas reached Baltimore had not arrived in New York.

Not Attending to Business.

The shrewdness of one of the founders of a famous estate in Maine gave rise to many amusing stories, one of which has recently been retold.

One day the man, who was a large lumber operator, was superintending a crew which was breaking up a log jam in the river. Suddenly the spruce on which he was standing slipped. The lumberman dropped out of sight in the water, and the logs closed over him.

The nearest Frenchman saw the accident. Hopping briskly over the slippery logs, he helped the "boss" to land.

Nothing was said about the accident. After an hour or so the Frenchman began to get anxious, because the reward which he considered due him was not forthcoming. He approached the lumberman, and pulling clumsily at his cap, stammered:

"I see you fall in, m'sieur, and I run queek to pull you out 'fore you drown."

"Pro'ly," snapped the lumberman, "pro'ly, if you'd been 'tending to business as you'd oughter, you wouldn't have seen me fall in!"—Youth's Companion.

Medicine Never Healed a Wound

Nature performs the healing process and medicine can only assist her in doing her work in healing wounds and throwing off diseases. Nine-tenths of the diseases man and beast have their origin in some form of germs and if allowed to run and multiply form complications. The reason that Liquid Koal prevents all germs diseases and cures them, unless fermentation and inflammation have too far developed, is that it contains every antiseptic and germicide known to science. All germ diseases such as hog cholera, swine plague, corn stalk diseases, tuberculosis, blackleg and numerous others can be prevented by giving Liquid Koal in drinking water, because they are germ diseases and no germ can live where Liquid Koal reaches it. Liquid Koal is unaffected by the gastric juices of the stomach, passes through the intestines and from there into the circulation, permeating the whole system and still retains all its germicidal properties. Diluted with water, in the proportion of one to one hundred, it makes the best lice killer known.
