Card of Thanks.

We desire to thank those friends and neighbors who so kindly assisted us and did all in human power to lighten the great grief which so suddenly came upon us. Also the Modern Woodman for their presence and aid, and the choir for the comforting songs.

Mrs. NINA WILSON AND FAMILY, J. G. WILSON.

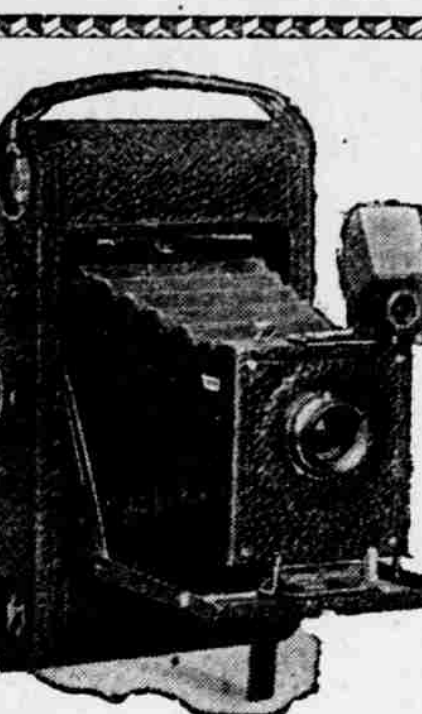

MRS. CECILIA STOWE, Orator, Entre Nous Club.

176 Warren Avenue, CHICAGO, ILL., Oct. 22, 1902. For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

Cecilia Stowe

Mrs. Stowe's letter shows every woman how a home is saddened by female weakness and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.

Valentine Normal.

From the Rock County Leader.

The school has been running one week and bids fair to be a grand success. Our instructors are very good and the attendants are all earnestly trying to improve their opportunities. Supt. Fowler was here one day last week and spoke in the evening at the M. E. church. His talk was both interesting and instructive. Friday night the Epworth League gave the school a reception at the court house. We enjoyed a very pleasant evening and all vote the Valentine people royal entertainers. Saturday evening Mr. Roberson gave his illustrated lecture on Imperial India. Well, it makes me hold my breath even now to think of it. It was simply magnificent and the audience sat enthralled for an hour and a half. He is a very rapid speaker and whatever he was speaking of, was before us on the wall all of the time, a fact which gave us a much clearer understanding of the lecture.

But at the dining hall is where we shine. We come and pass out with happy, smiling faces. I think everyone is well pleased with the board. The only thing wrong is the small attendance. There are, I think, about 70 enrolled. This is a great opportunity for the teachers of our county to learn new methods and old truths, two things which all teachers should strive to know. I wish every teacher in our county and every person who intends to teach could be here during the whole term. Then we could have much better schools next winter and the school boards would be encouraged to pay better wages. Please do what you can to encourage any stay at home teacher to come up to Valentine quick.

The Rock county delegation last week consisted of 6. Friday night we got one recruit. The delegation is doing nicely and behaving very well, considering. There are one or two in the delegation who are rather young and frisky and one got awfully homesick Friday night but we have a mutual agreement not to give each other away. I won't say anything about these things, but say, really one or two members of the delegation are rather quiet.

Hoping you will do what you can to secure enlistments, I am respectfully yours for better schools.
