### This is on the Fly.

Whence comes the flies with buzzing wing,  
That worry us to death we think;  
Why are they here to ting-a-ling  
Around our eyes and make us blink?  
They wake us early in the day,  
And buzz around from morn till night  
They seem to ever be at play,  
While we are always on the flight.  
We drive them out when e'er we can,  
Buy Tangle foot or Nickle plate;  
We put fly paper in a pan,  
Or get the Daisy up-to-date.

A dozen other kinds of bait;  
To kill the germ and catch the fly;  
Some said to catch them while you wait,  
And others kill 'em by and by.  
They are a pesky lot of thieves.  
To dabble in our food and drink,  
We dip them out and I believe  
They eat and waste more than you think.

They buzz and buzz and never tire,  
They're sure to find your new straw hat;  
They blow the meat instead of fire,  
They're always spoiling this or that.

Where does he come from anyway  
We always see the full grown fly,  
No baby flies are out at play,  
But all grown up; we wonder why?

They bother us the livelong day,  
In thousand ways, at different times  
They make us angry and turn gray,  
And make us spend on them our dimes.

Now try to think just how you feel,  
When flies are numerous and bold,  
And dance the old Virginia reel  
Around your head till "it gets old."

First at your head and then your hands  
They bite and buzz and crawl and creep;  
They chew your ears and their demands  
Are satisfied when you're asleep.

They buzz around your eyes and nose,  
They dab, you strike, they dive away  
But come back at you; I suppose  
That you like flies, but I'm no jay.

### FEMALE WEAKNESS

642 1-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902. I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities. *Wilhelmina Snow* Treasurer, Portland Economic League

### WINE OF CARDUI

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menstruation, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

### WINE OF CARDUI

There have been several Indians in town the past week, 200 or more. They danced and sang. Miss Hattie Holcomb returned last night to resume work as teacher in our schools. She was accompanied by her sister, Miss Myrtle. H. O. Jackson rode into town Sunday evening on a Rambler automobile and will spend several weeks here. Mr. Jackson writes insurance for the Franklin Life.
