tesies that waste their sweetness
on the desert air.

is deserving of mention for the of-
fice to which he aspires and will
make a faithful officer if elected.

Last week Jas. L. Ashburn came
down from Cody where he had
been doing bridge work for the

found that they had gone, taking
about \$200 in money which he had
left with them and shipped their
household goods, renting their
house to a colored man and his wife.
Mr. Ashburn has but one leg but
gets around and makes more money
than many who have two. He
says he'll let them shift for them-
selves after this.

AS A WORKING TOOL

for the student and the writer,
as an authoritative reference book
for schools, families and business
men, there is one book which of-
fers superior advantages both in
the solid value of its information,
and the ease with which it is ob-
tained.

One's admiration for Webster's
International Dictionary increases
daily as it comes to be better
known. It never refuses the infor-
mation sought and it never over-
whelms one with a mass of mis-
information illogically arranged.

The St. James Gazette of London,
England, says: For the teacher, the pu-
pil, the student and the litterateur, there
is nothing better; it covers everything.

The New and Enlarged Edition
recently issued has 25,000 new
words and phrases, 2364 pages
and 5000 illustrations.

Our name is on the title-pages of all the
authentic dictionaries of the Webster series.

HEALTH
"I don't think we could keep
house without Thedford's Black-
Draught. We have used it in the
family for over two years with the
best of results. I have not had a
doctor in the house for that length
of time. It is a doctor in itself and
always ready to make a person well
and happy."—JAMES HALL, JACK-
SONVILLE, Ill.

Because this great medicine
relieves stomach pains, frees the
constipated bowels and invigor-
ates the torpid liver and weak-
ened kidneys

No DOCTOR
is necessary in the home where
Thedford's Black-Draught is
kept. Families living in the
country, miles from any physi-
cian, have been kept in health
for years with this medicine as
their only doctor. Thedford's
Black-Draught cures bilious-
ness, dyspepsia, colds, chills and
fever, bad blood, headache,
diarrhoea, constipation, colic
and almost every other ailment
because the stomach, bowels
liver and kidneys so nearly con-
trol the health.
