There was a jolly old time when the democratic convention took place at Columbus Tuesday, Aug. 25th. Bryan was there and made the best talk that some thought they ever heard. In fact Bryan knows what to say and how to say it. Mayor Reed, of Kansas City, was there. Also Mathew W. W. of N. Y., W. D. Oldham and Geo. L. Loomis of Nebr., and lots of others which insured a democratic love feast. Judge John L. Sullivan was renominated to succeed himself as judge of the supreme court. At the same time the populists held their convention at Grand Island. Wm. O. Jones of Adams, and Dr. E. O. Webber of Saunders Co., were the nominees for regents of the state university. The convention was most harmonious and good feeling prevailed.

IN PROHIBITION KANSAS.

Over Three Thousand Liquor Licenses Issued in the Sunflower State the Last Fiscal Year.

Leavenworth, Kan., Aug. 24—The annual report of this revenue office, completed Saturday, shows that very little attention is paid to the Kansas prohibitory law. In the year, the number of retail liquor licenses issued to Kansas was 2,822, the largest in the history of this revenue office. Aside from this, 303 licenses were issued to wholesale beer agencies. This is over 3,000.—Randolph (Kan.) Enterprise.

Junior Normal Resolutions.

Whereas, the first session of the Valentine Junior Normal School, which is just closing, has been an inspiration to every teacher in attendance, and believing that we shall be able to take much back to our schools that will have a tendency to make better and brighter the lives of those who look to us for guidance, do hereby express our heartfelt appreciation for the same by adopting these our resolutions.
RESOLVED, That we express to the fullest extent our appreciation of the splendid work done by our conductor, Supt. R. H. Watson. He has been indefatigable in his efforts to make the school a success and in looking after the welfare and comfort of those in attendance. He has ever been ready to assist the students both in and out of school, and by his kindly and sympathetic manner has made all feel free to go to him with the most trivial perplexities, and always giving the needed advice and encouragement. Because of his always insisting on promptness and regularity, he has set an example of great value to us as we assume the responsibilities of our several schools. Continue the management of the Normal under Supt. Watson and its triumphant success in 1904 is assured.

RESOLVED, That the thanks of every member of this body are due and are hereby tendered to Supt. G. A. Gregory for the able manner in which he has presented his work on various subjects to the students body, for his ready response to the demands of the normal for musical instruction and entertainment, for his uniform kindness and courtesy to all, for the absolute impartiality displayed of his duty.
RESOLVED, That we extend to Mr. Magee our gratitude for the efficient service he has rendered to the teachers, not only in the school room from which his instruction and example will cast a lasting influence over the schools of the counties, but also in his social relations with the teachers. His sincere interest in their welfare and his ever cheery disposition will

long be an inspiration to those with whom he has come in contact.
RESOLVED, That we extend to Miss O'Sullivan our heartfelt thanks and the assurance of our gratitude, because of her faithful work and efficient instruction. Her ready sympathy and the personal interest manifested by her with those under her instruction has endeared her to all. Her personal influence has been such that we question the ability and integrity of any teacher who has not been touched by her life and made to feel a desire to combat every perplexity of a teacher's life with the weapons of thorough preparation. We are not satisfied that those alone, who have been fortunate enough to have received instruction under Miss Lally shall be granted the privilege of speaking such wholesome words of praise for her because of the ideal
