ROUND THE WORLD

A Wonderful Trans-Pacific Journey of Six Months via THE NORTH-WESTERN LINE AND ITS CONNECTIONS.

In line with its well known policy of development of trans-continental and trans-Pacific travel, the Chicago & North-Western Railway is now organizing a personally conducted round-the-world tour, to leave Chicago in October, visiting Hawaii, Japan, China, the Straits Settlements, Ceylon, India and Egypt, returning via the usual European points of interest on the way home.

The party will be most admirably provided for en route. The railway trip will be made on luxurious fast trains through the great Mississippi Valley over "the only double track railway between Chicago and the Mississippi River," and west via Denver and through the mountain wonderland of Colorado and Utah. The trip across the Pacific will be on one of the magnificent new Pacific Mail Co's steamers.

This trans-Pacific traffic has grown to such proportions that the service has been improved and elaborated until in many respects it is said to vie with that found on the finest trans-Atlantic greyhounds.

The trans-Pacific route is the coming highway over which American pleasure seekers will travel for recreation and sightseeing Hawaii, Japan, China, Australia and our own Philippine possessions are full of interest and the number of visitors to these faraway lands increases with the increased facilities for travel.
