At a preliminary hearing Monday before Judge Towne, Wm. Harris, a colored man who runs a joint, or ranch as it is called, south of the race track, was bound over to the district court for shooting Corp. John Cook of the 25th Inf. on March 20. It seems that the Corporal had ordered some beer, which he hadn't paid for, and in a mix up which resulted, Harris was cut with a knife, Cook was struck on the head with a ball bat and Harris grabbed a revolver and shot four times at Cook, two of the bullets passing through Cook's body while the latter was running from the Harris ranch and being followed by Harris. A Sergeant Hearst pursued Harris and took the gun from him.

Doctor Headrick

OF OMAHA WILL VISIT Valentine, Friday and Saturday, May 20th and 21st at the Donohr

We are in no sense "traveling doctors." We are established in Omaha and have occupied the same location since 1891. We have patients in all parts of Nebraska, who cannot visit our Omaha Office. To accommodate these we visit a few central points, thus saving our patients a long expensive trip to Omaha, and at the same time giving them the great benefit of a personal examination and consultation, which is absolutely free. We can refer you to a number of cured patients in your own locality.

Our Practice is Limited to Chronic Diseases.

We give special attention to diseases of the ear, nose, throat and all catarrhal diseases, deafness, lung and stomach diseases, diseases of women, nervous diseases, weakness of men, heart diseases liver and kidney diseases, rheumatism, piles, etc.

...Special Offer...

If you are suffering from a chronic ailment for which you been treated without success, let us make an examination of your case by our modern and improved methods and tell you whether your case is a curable one or not, and if you can be cured we will take you as a patient and treat you for a nominal fee, to be paid as you receive benefits. We do not ask you to pay for promises, but only for permanent benefits received.

We suggest that you call as early in the day as possible, enabling us to give you more time for an examination and consultation, which will be absolutely free.
