Born to Jas. Galloway and wife this city, a son, Thursday, June 9.

Ed Satterlee, of Nenzel, came down this morning on business. We enjoyed a pleasant visit with him at our office.

Claude Jones went to St. Louis this week to meet his sister, Miss Myrtle, who was on her way home from California, where she has been visiting with her sister, Mrs. Kalb. Mr. and Mrs. Kalb will depart for Alaska in the near future.

A bulletin received by Edwards, Wood & Co. states that the excursion boat, Slocum, burned in N. Y. harbor to the water's edge. 1000 people were aboard and between 200 and 300 lives were lost. One hundred bodies have been recovered by the police.

On account of a wreck up at Buffalo Gap the passenger train was late this morning. There seems to be numerous accidents, wrecks and washouts of late. Shouldn't the state of Nebraska require the public transportation companies to keep their roads in better repair?

Frank Brayton wore a pleasant smile last Saturday as he handed the Editor a cigar and remarked that he was always at the front. We supposed he meant the Red Front and took the cigar inquisitively and Mr. Brayton explained that a bright 10 pound boy came to stay with them Saturday morning, June 11, 1904. Frank says he'll name him Francis Donald. Success to him and them.

Mr. and Mrs. Will Morgareidge took a drive down through the sand hills last week, stopping at Bob Gillespie's ranch and visiting Mr. Morgareidge's two sisters, Mrs. Art Tennis and Mrs. S. L. Ellis at Simeon, after which they drove to Valentine, arriving Sunday, where they spent a couple of days visiting friends. From here they go to Cody and visit Mrs. Fannie V. Moore and upon their return to Merriman will start for Moscow, Idaho, to visit with Will's father and mother.

LUDWIG LUMBER CO.

L. C. SPARKS, Mgr.

C. H. Cornell received a letter from Geo. F. Bidwell, manager of the Nebraska and Wyoming division of the C. & N. W. R'y., stating that trains No. 4 and 5 could not be extended to Valentine as they had been put on as an experiment and had not been remunerative between Norfolk and Longpine, and, that they would probably be cut off or rather cut off to a paying point soon.

Junior Normal.

Cherry county ranks first with the number of students in attendance and Rock county follows.

Quincy LeeMorrow gave an interesting talk at Chapel on Wednesday morning on the subject of "The New Woman."

The young people of Cherry county are doing themselves proud this year. Almost everyone who can possibly do so are attending this summer.

The Junior Normal started Monday morning with an enrollment of 78. This is 6 or 8 more than was enrolled last year and more are expected to arrive.

There are three states represented in the normal: Nebraska, Kansas and South Dakota. This tends to show that the normal is becoming more popular and the people are ready, if not eager, to take advantage of it.

All persons holding season tickets and others desiring reserved seats for the Roberson lecture on June 25th should call at the post-office between the hours of 7:30 and 9 a. m., and 5 and 6 p. m. on Friday or Saturday of next week.

Mr. and Mrs. Morgareidge have planned a trip to Idaho and cannot attend this year, but Mr. Morgareidge has sent several of his graduates from the Merriman school and through the influence of Mrs. Morgareidge we have the two Misses Weston from Rapid City, South Dakota.

Uncle Tom.

Terry's Big Uncle Tom's Cabin played to a very large house Wednesday evening, 1000 people being turned away. It was one of the best shows ever in our city. There were several specialties introduced between acts that were excellent and the spectators were very well pleased.—Daily Tribune, Great Falls, Mont.

To Persons Having Cattle For Sale.

The First National bank has a book for entering the number and description of cattle of Cherry county, Rosebud reservation and vicinity for sale this fall, which book will be in readiness at all times for the free inspection of cattle buyers.

Parties having cattle for sale are invited to list the same with us, giving description as to age, sex, probable weight and any other information that will be of value to parties making inquiry. No charge for listing cattle, but we exact that persons having listed will, upon selling their cattle, advise us at once in order that buyers do not make the trip to their premises to no purpose. Where one has a fixed price, state the same, otherwise it will be inferred that market price is expected.

Since this involves quite an amount of gratuitous work, we ask that in writing, parties describe their cattle in the exact manner they wish them entered in our book. Be sure and give postoffice address.
