Twenty Miles of River Front For Water Craft at World's Fair City.

Free wharfage will be given to all boats landing at St. Louis during the World's Fair. Traffic Manager Hillery of the Exposition and Joseph P. Whyte, harbor and wharf commissioner of St. Louis, have decided on the locations assigned to the various kinds of boats.

Yachts, steam launches and all boats propelled by their own power have been assigned wharf space between Choteau avenue and Biddle street. These streets, running east and west, form the boundary lines for the central business district of the city.

House boats have been assigned wharf space north of Biddle street and south of Choteau avenue.

St. Louis has a river front of twenty miles. The Broadway line of the Transit company parallels the river from the city limits on the north to Jefferson Barracks on the south. At no point are the cars more than five blocks from the Mississippi river. The World's Fair may be reached for one fare by transferring to any of the eight lines that cross Broadway and reach the Exposition grounds.
