

STATE FINANCES. CHERRY COUNTY.

Appropriations have been made during the last eight years for the purpose of state government maintenance as follows:

| | |
|---------------------------------------|----------------|
| Republican management.....1901-1904 | \$6,615,570.21 |
| Fusion management.....1897-1900 | 4,527,317.60 |
| Republican extravagance increase..... | \$1,688,363.21 |

To pay for these appropriations, state taxes were levied against the taxpayers in the various counties and Cherry county's share was:

| | |
|---|-------------|
| State taxes republican years.....1901-1904 | \$50,855.47 |
| Fusion.....1897-1900 | 44,105.29 |
| Cherry county's share of republican extravagance..... | \$6,750.08 |

The natural inquiry is for what purpose did the republican state officials require \$1,688,363.21 during the four years of their administration as compared with the four years preceding under fusion administration and was the means of causing Cherry county to pay the enormous sum of \$429,855.47 for state purposes, an increase of \$6,750.08 over the previous four years. Here is the answer and cause:

Appropriations.

| For What Appropriated. | Fusion Management, 1897 to 1900 | Republican Management, 1901 to 1904 |
|-------------------------------------|---------------------------------|-------------------------------------|
| Legislative expenses..... | \$ 250,000.00 | \$ 246,000.00 |
| State officers and employees..... | 303,110.00 | 328,650.00 |
| Supreme and district courts..... | 352,005.00 | 327,640.00 |
| State boards and commissions..... | 28,879.14 | 428,338.33 |
| State Institutions..... | 2,330,680.05 | 4,321,125.26 |
| Expositions and special relief..... | 117,715.85 | 48,165.49 |
| Miscellaneous..... | 40,229.36 | 501,161.13 |
| | \$4,927,217.00 | \$6,615,570.21 |

It will be seen from the foregoing table that the increase is largely composed of the State officers and employees..... \$ 29,545.00

boards and commissions..... 164,944.16
Institutions..... 1,984,445.21
How long will the tax payers continue to contribute to this extravagant and foolish bill in the form of taxes? Inquire of your county clerk and see how much your taxes are compared with last year's taxes and see how much it is costing you individually.

Last Sunday we enjoyed another good dinner at the Valentine House. Mr. Hooton is getting a good share of the trade and every man who has enjoyed the comfort of lodging and board at his hotel speaks well of it. Mrs. Hooton personally supervises the keeping of the rooms and the cooking. Being an excellent cook she sees that meals are prepared suitable to the taste with a variety that is enjoyed by the boarders who are there from week to week. The thought does not occur to them to change.

Miss Orvilla Carey departed Monday night of last week for Crow agency, Mont., where she has an appointment as laundress at a salary of \$500 per year. A letter received last week stated that she arrived there safely. THE DEMOCRAT wishes her success.

Hon. Edward H. Whelan, candidate for attorney general, addressed a number of people in the court house last Saturday evening. Mr. Whelan is a splendid speaker and a clear thinker. Those who heard him were well pleased with his speech and his gentlemanly conduct. His discussion was principally upon state issues. We have heard many express themselves as sorry they didn't hear him. Mr. Whelan addressed a good crowd at Johnstown on Friday evening, and Monday evening was billed to speak at Merriman.

Gaver and Cook are Held for Murder of Rainbolt

(Special Dispatch to the World-Telegram.)

Sioux Falls, S. D., Oct. 13.—Jerry Carleton, chief deputy United States marshal, in this city, has returned from Deadwood, whence he had taken Henry Gaver and C. V. Cook, accused of having murdered James Rainbolt a few days ago on the Rosebud reservation. As a result of their preliminary examination at Deadwood, Cook and Gaver were held for appearance before the next federal grand jury, which will convene at Aberdeen.

Cook is said to be the son of a Chicago commission man, and because of his wildness was sent west for a time, in hopes he would quiet down. He was employed as a cowboy by a cattle company which was grazing cattle on the Rosebud reservation. At the time of the murder he was in charge of a camp of cowboys.

Gaver is a Texan, and came to South Dakota recently. He was a member of Cook's camp.

Ed Parry returned Monday from his trip to Florida. Mr. Tracewell came home today, having stopped awhile at the Fair.

D. J. Drebert, special agent of the German Mutual Fire Insurance Co. is in the city looking after business with local agent I. M. Rice.

J. A. Hooton asks us to announce that he will run a bus to and from trains, beginning Saturday, Oct. 29, 1904, for the benefit of his patrons and will call for citizens of the city at their homes and take to night trains or from trains to their homes at 25c for passenger and baggage.

Messrs. Taylor & Boyer, carpenters and contractors, whose ad has appeared in THE DEMOCRAT since last January, have been busy during the whole summer. They have had a number of important contracts and each one has given excellent satisfaction as far as we have learned. They built an addition to the Woodlake school building 26x10 feet, two stories high, built of first class lumber and other material. Their contract was for material and complete job finished and amounting to \$1550.00 which was settled with satisfaction to all parties. Just before this they built an eight room house at Crookston for L. H. Overman, working by the day on this job and were successful in doing the work satisfactory, in both quality and quantity, completing the house to the satisfaction of Mr. Overman and built a barn for him later 28x40 and 12 ft high. They also built a house for Andrew Wenzel on north table and an addition 18x24 for W. B. Hammond. They have had numerous other smaller contracts and at present are rebuilding coal and chicken houses and an addition to the dwelling of Geo. Hershey. We say this in justice to the energy and competency of these two men whom we believe to be both honest and capable carpenters and their work speaks for itself where ever they have worked.

The sad accident which happened at Simeon last Thursday demonstrates that one cannot be too careful with firearms. Oren Heth was a bright boy, 15 years old, and knew how to handle a gun as well as most boys of his age. He had gone hunting for ducks on the Gordon creek and went down to the store at Simeon to get a box of sardines for his dinner. He was on his horse apparently and had reached over to take his gun from a wagon in which was some lumber. Somehow, in drawing the gun towards him, the hammer must have struck a board or the edge of the wagon and discharged it, the load striking the top and back part of his head. Evidently his left hand held the bridle reins and the box of sardines which was up above his head at the time of the discharge as a part of the shot were found in the box of sardines. The boy was probably leaning over toward the wagon at the time, but just how it happened no one will ever know as there was no one there to see it. The shot was heard in the store and Mr. Ellis' boy went out to see what he had shot at and seeing the horse still standing near the wagon, went nearer and discovered Oren laying on the ground beside the wagon with the top and back part of his head shot off. The father, George M. Heth, was soon notified by telephone and came to town to get a coffin, and he and Oscar Buehle drove down to Simeon as quickly as possible. Dr. Lewis, the coroner, also went out and held inquest. The funeral was held next day in town in the M. E. church, conducted by Rev. Holsclaw, and the remains laid to rest in Mount Hope cemetery. THE DEMOCRAT extends sympathy to the bereaved parents and relatives.

FEMALE WEAKNESS

642-1-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902. I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. I was unable to get through my back and sides and I would have binding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Snow
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.
