

WOMEN'S NEGLECT

SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again.

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhoea.

Dear Mrs. Pinkham: I think that a woman naturally dislikes to make her troubles known to the public, but restored health has meant so much to me that I cannot help from telling mine for the sake of other suffering women.

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

Ministers of All Denominations Join in Recommending Pe-ru-na to the People.

Public speaking especially exposes the throat and bronchial tubes to catarrhal affections. Breathing the air of crowded assemblies, and the necessary exposure to night air which many preachers must face, makes catarrh especially prevalent among their class.

The Friends of Pe-ru-na. Despite the prejudices of the medical profession against proprietary medicines, the clergy have always maintained a strong confidence and friendship for Peruna.

The Bishop's Strong Tribute to Pe-ru-na. I. H. Halsey, Bishop C. M. E. Church, Atlanta, Ga., writes: "I have found Peruna to be a great remedy for catarrh. I have suffered with this terrible disease for more than twenty years, until since I have been using Peruna, which has relieved me of the trouble."

Peruna is the most prompt and sure remedy for catarrh that can be taken. Many a preacher has been able to meet his engagements only because he keeps on hand a bottle of Peruna, ready to meet any emergency that may arise.
