## NORMAL NOTES.

Supt. Gregory is planning a fine entertainment, consisting of music and recitations, to be given about August 8th.

Supt. Stockdale spent part of his Fourth driving the bugs from his squashes and cucumbers with paris green.

Model school work will close with this week, but the academic work will continue for another week or so.

All work on 2nd and 3rd grade branches will be given with special reference to methods of instruction.

Students who are preparing for first grade work and life certificates will continue their work throughout the term without interruption.

Classes will be organized next Monday in Physiology, Orthography and School Law. The classes are to take the place of model school work.

The Slayton Jubilee Singers are to be with us Wednesday, July 19. Do not forget the date. Look out for further announcements next week.

Miss Rose Smith, of Gordon, entered school Monday and several others are expected to enter next Monday, so as to get the last half of the term's work.

On Friday and Saturday the regular county examinations will be given for those who have not attended the normal long enough to receive credits.

Miss Kortz will meet her teachers at least one period each day during institute week to become acquainted with them and to plan her work for the coming year.

The last week of the junior normal, Aug. 7 to 11, inclusive, will be institute week for Cherry county. Miss Lulu Kortz, the Co. Supt. would be glad to have everyone who intends to teach in Cherry county the coming year to be present that week.

So far as the time is concerned the program will remain the same as it has been for the rest of the normal, but in 2nd and 3rd grade branches the plan of work will be changed so as to be an excellent review for those who have been attending the normal, and excellent institute work for those who come for the institute work alone.
