Valentine 12—Co. "D" 11

Last Sunday afternoon the first ball game of the season was played on the home grounds between company "D" of the 25th Infantry and the local team, resulting in a score of 11 to 12 in favor of Valentine. The game was characterized by exceptional good batting in the last inning when the score stood 8 to 11 in favor of the fort. But the home team took a brace at the bat and the first four men up hammered the ball for clean base hits. The score by innings is as follows:
Val'tine..0 2 1 0 1 1 2 1 *4—12
Co. D....0 0 1 0 4 3 2 1 0—11
*No outs when winning score was made.

COSSACK TROOPERS.

One of the features this year with Campbell Brothers Circus is a company of Russian Cossacks, the tried and true mounted troops of the Czar. They are the flower of the Russian army and acknowledged to be the best drilled and most expert horsemen in all Europe. The Cossack begins service at the age of sixteen and it is one of the unwritten Muscovite military laws that there is nothing impossible for a Cossack to do. They can bear hardships better than any other European soldiers and always assigned to the task that is most difficult. Noted as they are for their rapidity of movement, they perform feats on the backs of their running horses that are not equalled by any body of men in the world. These troopers are on a year's absence from the army, and by the Czar's special permission allowed to travel and give their wonderful exhibition daily with Campbell Bros. Circus, which will be at Valentine, May 28.
