## TRY IT

..

We always knew we made good SODA WATER. We had a pretty good opinion of our ICE CREAM, too. But when we see the continued increase in the amount of these things we sell, we are inclined to think that other folks think them good also. Do you? Try it, you'll see.

When you come to the show next Monday don't forget to leave a dollar at THE DEMOCRAT office if your subscription has expired. The paper tells you more in one issue oftentimes than the price for one year. Many are paying \$10 and more a year for less service than THE DEMOCRAT gives for a dollar.

## SIX NEBRASKA BOYS HAVE BIG CIRCUS

Campbell Brothers' Show Had its Origin Among Farmer Lads of Fairbury, Nebraska.

ARRIVES HERE MONDAY, MAY 28

Fifteen years ago, six Fairbury Neb., boys witnessed a performance of a small circus. The next day they were practicing somersaults, trapeze work and similar sawdust ring stunts.

"Let's give a show of our own" one suggested and they went into training for the event, which was held in the barn on their fathers farm. It was very successful, and the small admission fee enabled them to purchase a bony steed and a hayrack, with which they made the circuit of the county fairs giving performances at 10 cents admission.

The next year they had more and better equipment and charged 15 cents to see the "show." Eight years ago they organized an overland circus, with six wagons and thirty horses. Six years later they remodeled the circus and made it a "railroad show" with eight cars.

Year by year the show has grown until now it consists of twenty-six sixty-foot cars, 500 people, two advertising cars in advance, and requires a daily expenditure of \$1500 to support.

The six brothers were Al G., Charles (Doc), Edward, John, Greer, and Hatfield Campbell, who own the Campbell Bros. circus, which visits Valentine, May 28

Mrs. Clara Ayers-Yeast arrived here Tuesday night from Atlanta, Ga., to spend the summer with relatives.

Twenty-one people went down to Woodlake last Saturday evening to attend Miss Mary Cumbow's school entertainment. They went on the afternoon freight and returned on the passenger. The wind blew a gale but none blew away. Some of them missed the sidewalks and electric lights of Valentine and felt a bit awkward but all report a good time.

A heavy rain fell yesterday afternoon and soaked the ground for several hours. During the early part of the rain the lightning struck S. Moons' house, south of J. T. Keeley's, tearing down the chimney and damaging the roof. From the house it ran off on a clothes line to an outhouse, knocking one side out. Our foreman, Mark Zarr, saw the lightning strike and said it spread out over the roof and looked like thousands of stars.
