Talk of the Town.

Mr. Searby and son were down from Crookston last Thursday.

Matched games of base ball have been arranged for every day of the reunion.

A 4th of July celebration will be held in Higgin's grove, ten miles south of town.

Henry Becker extended his subscription to THE DEMOCRAT a year in advance a few days ago.

Webster Wertz called at our office to subscribe for THE DEMOCRAT Monday while in town.

Andrew Benson of Arabia handed us a dollar on subscription last Monday and looked pleasant.

Walter Peterson of Simeon is another new subscriber to THE DEMOCRAT. He rode in horseback last week.

The Sioux Indians and the Cody Cow Boys will cross bats with the Valentine team on the reunion grounds during the reunion.

People from Sparks, Woodlake, Arabia, Simeon, Kennedy, Crookston, Britt, Rosebud, Nenzel, Georgia and McCann attended the show here Monday.

Mat Boltz of Nenzel handed us a dollar for his neighbor, Mr. Karalewski, Monday, while in town. He says they are going to celebrate the 4th up there.

Miss Nellie Easley came down from Gordon Friday to visit with home folks and friends over Sunday. Miss Griswold accompanied her for a visit. They returned Sunday night.

D. J. Drebert, special agent for the German Mutual Fire Insurance company of Omaha, is spending this week with the local agent, I. M. Rice, in looking after business in Cherry county.

Claud Tompson, the infant son of Mr. and Mrs. Frank Thompson, died at their home near Sparks Monday. Rev. Morgan went down and conducted the funeral services Tuesday.

The two crack battalion teams of the 25th Infantry will play ball at the reunion grounds Friday, June 8. The 25th Infantry will also give exhibitions of wall scaling contest, relay and equipment race.

The U. S. weather report for week ending May 30: The daily mean temperature 52° shows a considerable falling off, averaging 8° below the normal. This will probably retard crop growth. The highest temperature was 73° and the lowest 32°. The precipitation was 1.73 inches, giving a total of 10.17 inches for the year to date.

In the fastest game of ball played here this season, Co. "B" of the 25th Infantry met defeat at the hands of our local team yesterday afternoon. With but few exceptions the home team played good, strong ball and won out by a score of 6 to 4. Score by innings:

Valentine... 4 0 0 0 0 2 0 0—6
Co. B... 0 0 0 1 1 0 2 0—4

T. C. Hornby

Thomas Fitzhenry died dropsy of at the home of Mrs. Shore in this city early Tuesday morning, after several week's illness. The many friends of the deceased speak in high praise of him as a neighbor and a citizen. He is an old timer here and made his home near Chesterfield. He was a great reader and a well informed man. Honest, upright and a faithful friend and neighbor. We are sorry that he is gone from among us, and as a faithful man to the last he passed away on Decoration day, that we might include him with nation's dead and remember him each year as we decorate the graves of departed heroes.

Campbell Bros. circus came to town Sunday morning, and, after unloading and putting up their tents, put in the day resting up. Our people were surprised to find such a large show and so many people with it. Monday was cloudy and chilly weather but people came in from the country from 20 to 50 miles distant to see the show and there was a good crowd despite the threatening weather. The show was good and Campbell Bros. are credited from Valentine for conducting a clean, moral, and up to date show. Their Cossack riders, racing, dancing horses and other performances were good and many new features attract the public eye.

The annual reception of the alumni was held last Friday evening after the graduating exercises. On account of the disagreeable weather there not as large an attendance as at former receptions, there being only eighteen old alumni members and the fifteen graduates, and a few visitors present, making a total of about forty. After a short speech by the president to the class of '06 they were initiated and duly sworn as members of the alumni. After their health had been drank by all present, Miss Bessie Gaskill of the class responded with a toast in which she expressed the appreciation the class felt for the alumni. After those who wished had imbibed again, Prof. Watson addressed them by appropriate speech after which they dispersed. Punch was served during the evening.
