Talk of the Town.

Mrs. W. S. Jackson returned from her visit at Neligh Saturday morning.

John W. McDaniel returned Monday from a surveying expedition at Merriman.

Soft, beautiful platino photos at Barnett's studio. First four days of each month. 34

C. E. Connell, the new M. E. minister, and family arrived Monday with his household goods.

Sheriff Simons was down in the southern part of the state on official business the past couple of weeks.

Miss May Barnes visited at Geo. Tracewell's last week and went down to district No. 28, near Sparks, to teach this fall.

Mrs. A. G. Shaw and baby departed Sunday morning for Shawano, Wis., in response to a telegram stating that her mother was very ill.

Capt. Powell, of the 25th Inf., purchased Dr. Compton's fine driving team last week, the consideration being \$325. The captain intends taking them with him to Texas.

Webb Hilsinger and son Harry came home Wednesday of last week from Shoshoni, where they have been for two or three months, the former being on the police force at \$90 per month.

Ira Moore was driving a team on the stacker when a cockeye on the tug of the harness broke causing the whippetree to fly back, striking him in the bowels and causing almost instant death.—Long Pine Journal.

Mrs. Elmore went to St. Joe, Mo., last Friday to purchase her fall stock of millinery. She was accompanied as far as Fremont by her niece, Ella Smith, who goes from there to her home at Hastings, having been visiting Mrs. Elmore the past two months.

Henry Murphy drove up from ranch 12 miles west of Brownlee last Thursday and spent a day in our city on business and visited some with old friends. It isn't often that he comes and there's a great deal to talk about nowadays, so the time was well spent and goes too quickly when Mr. Murphy is here. He started home Saturday afternoon, expecting to reach home Sunday evening.

The M. E. Sunday school, under the leadership of Geo. H. Hornby, gave a picnic down at Deer Park last Friday. Dinner was prepared and placed on a long table constructed for the purpose, seating nearly 100 persons. Capt. Shaw was there with his camera and took a photograph of the group when they gathered around the table. Several rope swings had been put up and the children enjoyed swinging and playing about the picnic grounds the whole day long. The older people also got out after dinner and played "drop the handkerchief" and swinging in a rope swing. It made us all feel younger as we played the games that we played and enjoyed so much 30 years ago. This Sunday school picnic was enjoyed by several wagon loads of people and will be a pleasant recollection to those who attended.

J. W. Pike of Milverville, Ia., was out here on a visit with his sons last week. He drove to town with Ed. Tuesday and called at our office for a visit while in town. Mr. Pike came to Cherry County in '84 and lived here until a few years ago. He regrets that he can't stay for the Old Settlers picnic at Dunn's grove Saturday. He expected to start home Wednesday morning and promised to come oftener hereafter. It has been two years since he was here. His daughter and her friend who have been visiting at Hot Springs were expecting to pass through Wednesday enroute home and Mr. Pike will accompany them.
