LAST THURSDAY A BAD DAY

Luella Graeff Killed in a Runaway.

A sad accident occurred last Thursday at the Dry Creek School House, when the teacher Miss Jennie Bennett and the children of A. S. Graeff started home. Miss Bennett boards at Mr. Graeff's and with the children drive to school with a team and spring wagon. After school last Thursday, in hitching up the team they forgot to snap the inside checks and the horses being a little impatient and ready to take advantage of anything for an opportunity to go, started. Miss Bennett jumped out on one side and caught hold of a horse and Oscar Graeff a boy 10 years old jumped out on the other side expecting to snap the inside checks when the horses became frightened and ran away with Gussie aged 8 years and Luella six years of age. Miss Bennett was thrown to the ground and the horse stepped on her ankle as they broke away from her. Gussie was soon thrown from the wagon and but slightly hurt. Luella tipped backward with the seat and fell on her back in the spring wagon box, and in this position was jolted upon the edge of the box with her head hanging over, and crushed her skull as the horses ran and was finally thrown out near an old road where she was found dead, her head crushed and bloody. The funeral was held Friday and the body laid to rest in the Harmony cemetery. The family have the sympathy of the entire neighborhood in their sad loss and bereavement.

Mrs. Charles Reece Injured While Driving a Mower.

Mrs. Chas. S. Reece was severely hurt last Thursday about 11:00 o'clock in a runaway while out running a mowing machine. One of the traces became unhooked and the team frightened at Mrs. Reece's attempt to hook it started to run. Mrs. Reece was in front of the cutter bar and one of the guards caught her foot below the instep throwing her onto her face and dragged her three quarters of a mile before her husband, who was raking hay half a mile away, caught them and held them while Mrs. Reece got loose from the machine. Her foot was pretty badly cut and torn and her left side was worn through into the flesh from dragging on the stubble field. Her elbows and shoulder were also skinned and bruised. Mr. Reece hastily tore her shoe loose and bandaged her foot as well as he could and took her home. Mrs. Dr. Baker was sent for who dressed the wounds and about 4:00 o'clock Mr. Reece placed her on a cot in his wagon and brought her to town taking her to J. E. Thacker's west of town where she will receive careful nursing and the attention of a physician daily. Mrs. Reece is recovering and doing nicely.

Joe Gaskill, wife and niece arrived last Wednesday from Montana, to visit relatives and friends.

C. W. Cramer's sale was fairly well attended two weeks ago, and everything brought fair prices and mostly sold for cash. This shows that Cherry County farmers have been prosperous and have done well the past five years. Land is increasing in value and especially farming land.
