On Thursday, Friday, and Saturday, Nov. 8th, 9th and 10th, we have made arrangements with the well known firm of Miller & Paine of Lincoln to exhibit their line of fine furs made by them in their own factory.

The high class character of this firm is too well known to need comment.

They have been manufacturing furs for over two years, and have in charge of their fur department a furrier of large experience, and exceptional merit. Their garments will stand favorable comparison with the finest of eastern manufacture, and are not excelled anywhere.

Mrs. E. A. Compton will be in charge of the exhibit and will be prepared to sell or take your measure for special garments.

If you are thinking at all of purchasing anything in furs, you should make it a point to see this display. Mrs. E. S. ELMORE.
