A Cough Syrup That Cures Coughs.

Our White Pine Cough Syrup with Tar cures coughs. Some cough "cures" are only drugs to deaden the tissue so you can't feel the tickle ---when the effect wears off your cough comes back. Not so with our Cough Syrup. It cures to stay cured, the coughs don't come back without you take more cold. At the same time it strengthens the throat, helping it to stand more use and exposure in cold weather. : : : : :

BILLS**
BISHOP & YOUNG,
Cody, Neb.

J. C. Hayden, formerly in charge of a station in Nevada, is J. J. McClean's successor of the weather bureau station here, Mr. McClean having been transferred elsewhere, but will probably not depart for several days yet.

From Stuart Ledger.
If Mr. Sheldon is elected, it will be railroad influence that does it by keeping in the background and pretending they are for Shallenberger.
Sheldon set his gubernatorial nest egg four years ago. He says he stopped riding on a pass a year ago. Why because it was wrong, or because he had to?

Mr Douglas said Friday evening at the court house in Bassett that when he and Mr. Sheldon were in the legislature four years ago, that he had started Sheldon's boom for governor. Mr. Sheldon has had 4 years coaching behind the scenes and acts his part well.

MOSES WON'T DEBATE.

of G. L. Shumway, we challenged M. P. Kinikaid on October 6th for a series of joint debates between the candidates for congress. On October 14, he visited Alliance, and talked the matter over with some of his friends here, but did not honor us by a call. On October 19, he wired acceptance, to which we immediately responded by wire that we would meet him in Alliance on October 22nd, where he was to appear with Mr. Sheldon, and we would arrange dates. Rather than meet us, he cancelled his engagement. Instead of immediately informing us of his change of plans, he wrote us, dated Oct. 19, postmarked Oct. 22, and received by us Oct. 23. In his letter he suggested that the details of the debate be arranged by correspondence. We would have a merry chase to catch the artful dodger before election by correspondence. Inasmuch as he has made it impossible to have these debates, and we deem it fair that the public should know where our candidate stands on subjects of interest, we give a synopsis of his position:

Honesty is the foundation of civic virtue; and agriculture is the foundation of national wealth.—G. L. Shumway, Fusion Candidate for Congress, Sixth District.

G. L. SHUMWAY.

He stands for:
Two-cent fares.
Lower freight rates.
Equal taxation.
No free passes.
Direct primary
Initiative and referendum.
Eight hour labor.
Employers' liability act.
Appraisalment of corporations and limitation of their earnings.
Prohibiting corporation campaign contributions.
Forfeiture of office for accepting a free pass, favor or fee from a public service corporation.
Public absorption of trusts.
Public ownership or control of public utilities.
Removal of tariff from lumber, nails, wire and farm machinery
Government control of interstate streams.
Governmental experimental farms.
Classification, appraisal and provisional sale of public grazing lands.
Withdrawal from Nebraska of all secret agents of land department.
Laws for the farmer and a square deal for everybody.

Where will you find Mr. Kinikaid on any of these questions? Has any person ever heard him express himself on any of the above questions? Now, is it not time that this district be represented in Washington by a man of ideas and vigorous enough to stand up in their defense, instead of by an impotent old dandy, who thinks all the qualifications necessary for a statesman is to array himself in a pair of corsets and a Prince Albert coat, fill his pockets with free transportation, and dodge in and out through the district? Who never was known to have a pronounced idea of his own, a trimmer and a dodger?

In behalf of our nominee we ask the suffrage of the people of this district, and pledge them that if elected every promise will be carried out to the letter.

The election of Moses P. Kinikaid, means the continuation in office of an incompetent.

The election of G. L. Shumway means a vigorous representative whose position on any subject is never in doubt.

ROBERT GRAHAM,
Chm. Cong. Com.

T. M. Bishop of Shawnee, Okla., a brother of T. W. Bishop, was here several days the past week visiting. They had not seen each other for nineteen years and each had changed remarkably. Mr. Bishop expressed himself as well pleased with the country here, though the weather was severe then and may return here to live.

Every Niece and Nephew of Uncle Sam

should be deeply interested in what he has said about soda crackers, because they are the one food with which all of them are familiar.

Uncle Sam has given out figures showing that soda crackers are richer in nutriment and body-building elements, properly proportioned, than any food made from flour.

This is saying much for common soda crackers, and much more for **Uneeda Biscuit**, because they are soda crackers of the best quality. They are baked better—more scientifically. They are packed better—more cleanly. The damp, dust and odor proof package retains all the goodness and nutriment of the wheat, all the freshness of the best baking, all the purity of the cleanest bakeries.

Your Uncle Sam has shown what food he thinks best for his people. His people have shown that they think **Uneeda Biscuit** the best of that food, nearly 400,000,000 packages having already been consumed.
