

ROYAL

BAKING POWDER

Made from
Pure Grape Cream of Tartar

The only excuse for buying anything but a Pure Grape Cream of Tartar Baking Powder is to save a few cents in price.

ROYAL costs you a few cents more per can than Alum or Phosphate of Lime powders, but it is worth far more than the difference to keep your biscuits, cakes and pastry free from the injurious effects of these cheapening substitutes.

Continued use of Alum means permanent injury to health.

"In A Woman's Power."

"In A Woman's Power" which will be presented at Church's opera house Tuesday, Jan. 1st, does not belong to the out-of-date commonplace melodramas. Earnest Stout, the author, has written an entirely original up to date play that contains all the elements of successful productions. The scenes are laid in California and New York and are lifelike in ever detail. The characters are all distinctly drawn and represent various types to be found in the sunny clime. Marks, a Hebrew, who is conspicuous in the play, is a unique character. He is an honest, noble-minded Israelite—the tool of the villain.
