## Tools of Honor

We wish to call your attention to our extensive line of "Keen Kutter" tools. We carry at all times a complete line of carpenter tools, including the best of everything in hammers, saws, planes, hatchets, auger bits, bit braces, squares, draw knives, chisels, files, etc. In fact everything that an up to date carpenter will need. Try one of our "Keen Kutter" axes or forks. They are tempered right, hung right, and made right. Always buy a "Keen Kutter" pocket knife. We also have the exclusive sale of "Manard" spades and shovels. Their are many imitations of these goods. Always watch the label and accept nothing but a "Manard" and profit thereby. Each and every article is thoroughly guaranteed by us and backed by the makers. "The recollection of quality remains long after the price is forgotten."

**Just a Word to the Christian People.**

No matter what your name, denomination or church preference may be, you are most cordially invited to attend and assist in the evangelistic campaign now being planned for by the Methodist church of Valentine. Your presence and help is most earnestly solicited. It is our sincere desire that not only the Methodist church may receive a great spiritual uplift, but that every other church and individual as well, may receive such a blessing from the Lord that the town and community may be lifted to a higher standard of morality and religious life. Let everyone who desires a better condition of things in the community put their shoulder to the wheel and let us all push together and with the blessing of God upon us we shall see a gracious revival in the community.

C. E. CONNELL,  
Pastor M. E. Church.
