Spring Dress Trimmings

The coming season gives evidence of a decided popularity for trimmings and braids. The showings in these particular lines are novel and new and surpass in every way the lines of previous years. We have just received a nice assortment of this stuff comprising the Soutach Braids, the popular Pull Braids, the Motiff Trimmings and new patterns in Pearl Buttons. When you are planning your new dress look our line over. You will be pleased.

Capt Houston

We present to our readers this week a photograph of Captain F. H. Houston, who is to conduct the evangelistic meeting at the M. E. church beginning next Sabbath.

Capt. Houston is a man of large experience in evangelistic work, being connected for several years with the Volunteers of America, but later entering the general evangelistic field where his labors have been crowned with great success. He is a man of pleasing personality, possessing those qualities which win their way to the hearts of the people, establishing confidence and impressing men with the true elements of a christian character. The general public is most cordially and earnestly invited to attend all of these services.

A grand ball is to be given in Honey's hall at Woodlake, tomorrow night, Feb. 22, under the management of H. A. Lyons and Duffy Hanna. All are cordially invited.
