

HONEST MEDICINE

TRY DR. WILLIAMS' PINK PILLS FOR STOMACH TROUBLE.

Convincing Evidence Supported by a Guarantee That Must Convince The Most Skeptical.

Dr. Williams' Pink Pills are a doctor's prescription, used by an eminent practitioner, and for nearly a generation known as a reliable household remedy throughout the United States. Needless to say, no advertised medicine could retain popular favor for so long a period without having great merit and it is the invaluable curative properties of the pills that have made them a standard remedy in every civilized country in the world. Added to this is the absolute guarantee that the pills contain no harmful drug, opiate, narcotic or stimulant. A recent evidence of their efficacy is found in the statement of Mrs. N. B. Whitley, of Boxley, Ark., who says:

"I had suffered for a good many years from stomach trouble. For a long time I was subject to bad spells of faintness and lack of breath accompanied by an indescribable feeling that seemed to start in my stomach. Whenever I was a little run-down or over-tired, these spells would come on. They occurred frequently but did not last very long. I was confined to my bed for ten weeks one time and the doctor pronounced my trouble chronic inflammation of the stomach and bowels. Since that time I have been subject to the fainting spells and at other times to fluttering of the heart and a feeling as though I was smothering. My general health was very bad and I was weak and trembling.

"I had seen Dr. Williams' Pink Pills mentioned in the newspapers and decided to try them. When I began taking the pills I was so run-down in strength that I could hardly do any housework. Now I could walk ten miles if necessary. Both my husband and myself think Dr. Williams' Pink Pills the best medicine made and we always recommend the pills to our friends."

Dr. Williams' Pink Pills actually make new blood and give strength and tone to every part of the body. They have cured serious disorders of the blood and nerves, such as rheumatism, sciatica, anemia, nervousness, headaches, partial paralysis, locomotor ataxia, St. Vitus' dance and many forms of weakness in either sex. They are sold by all druggists or will be sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

An Explanation.
An alienist came wandering through an insane asylum's wards one day. He came upon a man who sat in a brown study on a bench.
"How do you do, sir?" said the alienist. "What is your name, may I ask?"
"My name?" said the other, frowning fiercely. "Why, Czar Nicholas, of course."
"Indeed," said the alienist. "Yet the last time I was here you were the Emperor of Germany."
"Yes, of course," said the other, quickly, "but that was by my first wife."—Argonaut.

TIRED BACKS.
The kidneys have a great work to do in keeping the blood pure. When they get out of order it causes backache, headaches, dizziness, languor and distressing urinary troubles. Keep the kidneys well and all these sufferings will be saved you. Mrs. S. A. Moore, proprietor of a restaurant at Waterville, Mo., says: "Before using Doan's Kidney Pills I suffered everything from kidney troubles for a year and a half. I had pain in the back and head, and almost continuous in the loins and felt weary all the time. A few doses of Doan's Kidney Pills brought great relief, and I kept on taking them until in a short time I was cured. I think Doan's Kidney Pills are wonderful."

Shirt Protector.
When a man buys a dress shirt nowadays he can depend on the bosom being absolutely spotless, since, owing to a new device that has been thought of, the shirt is protected from the touch of soiled fingers that so often were wont to leave their mark on the fair surface.
This new style of protection consists of an envelope of transparent paper that is large enough to hold the shirt, keep it absolutely clean, and yet enable one to see the size numbers through it. Without adding much to the cost, the envelope is a great economy to the dealers and makers, since with its use there is never any cause for the return of shirts to the factory that have been soiled in the handling as there is in the case of collars and cuffs.

Blood Gets Sour.
At this time of year, says a well-known authority, the kidneys become weak, clogged and inactive, failing to filter out the poisons and acids, which sour the blood, causing not only facial and bodily eruptions, but the worst forms of Rheumatism, Nervous and Stomach troubles, Backache and painful, annoying Urinary afflictions.
It is worth any one's time now to get from some good prescription pharmacy the following ingredients: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after your meals and at bedtime.
This simple home-made mixture will, force the kidneys to normal, healthy action, so they will filter and strain all uric acid and poisonous waste matter from the blood, and expel this in the urine, at the same time restoring the "full blood count"—that is, 95 per cent. red blood corpuscles—which is absolutely indispensable to perfect health.

How He Knew.
A witness was being examined as to the sanity of one of the inmates of the asylum. "You hold that this inmate is insane, do you?" a lawyer asked. "I do," was the firm response. "Why are you so sure?" "The man," the witness said, "goes about asserting that he is Santa Claus." "And," said the lawyer, "you hold, do you, that when a man goes about asserting that he is Santa Claus it's a clear proof of his insanity?" "I do," "Why?" "Because," said the witness, in a loud, indignant voice, "I happen to be Santa Claus myself."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Women Avoid Operations

When a woman suffering from female trouble is told that an operation is necessary, it, of course, frightens her.
The very thought of the hospital, the operating table and the knife strikes terror to her heart.
It is quite true that these troubles may reach a stage where an operation is the only resource, but a great many women have been cured by Lydia E. Pinkham's Vegetable Compound after an operation has been decided upon as the only cure. The strongest and most grateful statements possible to make come from women who by taking Lydia E. Pinkham's Vegetable Compound made from native roots and herbs, have escaped serious operations, as evidenced by Miss Rose Moore's case, of 307 W. 26th St., N. Y. She writes:—
Dear Mrs. Pinkham:—Lydia E. Pinkham's Vegetable Compound has cured me of the very worst form of female trouble and I wish to express to you my deepest gratitude. I suffered intensely for two years so that I was unable to attend to my duties and was a burden to my family. I doctored and doctored with only temporary relief and constantly objecting to an operation which I was advised to undergo. I decided to try Lydia E. Pinkham's Vegetable Compound. It cured me of the terrible trouble and I am now in better health than I have been for many years.
This and other such cases should encourage every woman to try Lydia E. Pinkham's Vegetable Compound before she submits to an operation.
Mrs. Pinkham's Standing Invitation to Women
Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

Phew! Salts and Castor Oil!

Why take sickening salts or repulsive castor oil? "Goes through you like a dose of salts" means violence, grips, gripes, gases, soreness, irritation, and leaves your stomach and bowels weak and burnt out. Might just as well take concentrated lye. Then there's castor oil, disgusting, nauseating truck that your stomach refuses unless you disguise the taste. Fool your own stomach, eh? Don't ever believe that anything offensive to your taste or smell is going to do you real good. Nature makes certain things repulsive, so you will not take them. Force yourself to nauseous doses, and you ruin your digestion, weaken your bowels, destroy your health. On the other hand see what a delightful, palatable, perfect modern laxative, liver regulator and bowel tonic you find in
