ILL FROM OVERWORK

NERVOUS PROSTRATION CURED BY DR. WILLIAMS' PINK PILLS.

By Toning up the Blood and Nerves Patient Recovered Weight, Strength and Good Spirits.

When the nervous system is broken down from overwork, or whatever cause, life loses its joys. Not only is the nervous victim a sufferer himself but he is usually a trial to the whole family. Nervous breakdown is often gradual, appearing at first to be merely an unusual fretfulness. Dr. Williams' Pink Pills tone up the nerves in the most direct way and not only cure minor troubles but serious disorders as well. Mr. W. W. Munroe, of 16 Hazel Park, Everett, Mass., says: "About four years ago this September I became all run down from overwork and from confinement to work during warm weather. For two months I grew steadily worse. I lost in weight and strength and had no appetite. My memory failed me quite rapidly and I became in a very low state, both physically and mentally. I took no interest in life, neither in business nor recreation. In my position, as foreman in a large manufacturing chemist's establishment in Boston, a good memory is absolutely essential to success because of the immense amount of detail that must be carried in the head. I grew very despairing, could not bear to have people meet me and my friends remarked on my condition. About the middle of December a friend told me one day that he had tried Dr. Williams' Pink Pills and found them reliable. I commenced taking them and at the end of two weeks the change for the better was remarked by friends. I continued using the pills until I was thoroughly recovered. I regard them as a fine remedy and make this statement voluntarily in gratitude for the benefit I received from them."

These pills actually make new blood and have cured such diseases as rheumatism, nervous and general debility, indigestion, nervous headache, neuralgia and even partial paralysis and locomotor ataxia. As a tonic for the blood and nerves they are unequalled. If you are a sufferer from any disorder of the blood and nerves write for proof of what Dr. Williams' Pink Pills have accomplished in cases similar to yours. Every testimonial used by this company is carefully investigated before being published and is authentic. Dr. Williams' Pink Pills are sold by all druggists, or direct by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

COMMERCIAL AND FINANCIAL

NEW YORK.

Trade responds to seasonable weather distribution of spring merchandise, fully equaling sanguine expectations, and country merchants purchase liberally from wholesalers at leading centers. Reports from principal cities are uniformly favorable, active business being accompanied by further improvement in collections. Leading industries are fully occupied and no strikes of more than local significance have materialized. Manufacturers are busy on goods for early shipment and sample business for later seasons promises continued activity. Improved traffic conditions make deliveries more prompt. Few lines of finished steel can be delivered promptly, mills averaging four to six months' capacity engaged, and quotations are consequently well maintained. Primary markets for textiles are more quiet, but there is no diminution in the output of mills except where labor cannot be secured. Commodity exchanges have resumed normal conditions and prices show some recovery from the unsettled position after the Easter holiday, which was prolonged abroad.—Dun's Review.

Despite some cross-currents in demand, due mainly to the withdrawal of the Easter stimulus to trade and a succeeding spell of cold weather, the developments of the week have been mainly favorable. Chief, perhaps, of these is the final satisfactory settlement of the western railway men's demands by arbitration. All reports as to trade in wholesale and jobbing circles in the first quarter are in a high degree favorable, and failure returns confirm the smallest number of casualties for a generation past. Reports from most leading industries are still of full order books and of backward deliveries. There is, however, slightly more manifest disposition to move more conservatively as regards distant positions, some easing of metal quotations and a softening of asking prices for various products, and the jewelry, shoe, leather and wool trades note quiet, pending a clearer view of later developments. Business failures in the United States for the week ending April 4 number 137, against 166 last week and 151 in the like week of 1906. Canadian failures for the week number 29, against 21 last week and 17 in this week a year ago.—Bradstreet's Report.

CHICAGO.

Spring trade shows steady advance in the leading branches, and the remarkable volume of new demands reflects continued strength in the buying power, making the best testimony that confidence in the outlook for industry suffers no impairment. The city election interrupted dealings in the primary markets and the operations in the breadstuffs and live stock were lessened, but factory production, wholesaling and forwarding of finished products and general merchandise exceed those of a year ago.

Failures reported in the Chicago district numbered 13, against 22 last week and 22 a year ago. For the first quarter of this year the similar failures totaled 296, against 359 in 1906 and 390 in 1905.—Dun's Review.

Studying the Ideal.

Little Joey is the youngest member of a family where vital faith in the power of thought-concentration is fully recognized. Quite logically, therefore, when his recent acquirement, a couple of bantam hens began to lay very small eggs, much below Joey's standard of size, he put his mind on the matter, with an original if slightly unscientific result.

Going to the hen-house one morning, Joey's father was surprised to see an ostrich egg tied to one of the beams, and above it a card with the words: "Keep your eye on this and do your best."

A TERRIBLE EXPERIENCE.

How a Veteran Was Saved the Amputation of a Limb.

B. Frank Doremus, veteran, of Roosevelt Ave., Indianapolis, Ind., says: "I had been showing symptoms of kidney trouble from the time I was mustered out of the army, but in all my life I never suffered as in 1897. Headaches, dizziness and sleeplessness, first, and then dropsy. I was weak and helpless, having run down from 180 to 125 pounds. I was having terrible pain in the kidneys, and the secretions passed almost involuntarily. My left leg swelled until it was 34 inches around, and the doctor tapped it night and morning until I could no longer stand it, and then he advised amputation. I refused, and began using Doan's Kidney Pills. The swelling subsided gradually, the urine became natural, and all my pains and aches disappeared. I have been well now for nine years since using Doan's Kidney Pills."

Side Lights on History. Croesus was trying to stand off the assessor, who was respectful but firm. "The wealth of rich men, my dear sir," said Croesus, "is always overestimated. Look at Rockefeller. He was supposed to be worth a billion. According to the statement of his man of business he has only a beggarly \$300,000,000, and I'm worth only a small fraction of that sum, as you can find out by consulting any good cyclopedia."

Whispering confidentially that the most of the stories about him were campaign lies, and that Herodotus was a worse prevaricator than Eli Perkins, he succeeded in getting the assessor to place him in the J. Pierpont Morgan class and dismissed him with a hand-some present.

Sarsaparilla Time. Make your own Sarsaparilla or Spring Blood Medicine by mixing one-half ounce Fluid Extract Dandelion, one ounce Compound Strychn Sarsaparilla, Shake well in a bottle and take one teaspoonful after meals and again at bedtime. Any good druggist can supply these ingredients.

This is said to be a splendid Spring Blood Tonic and system renovator because of its gentle action in restoring the kidneys to normal activity, forcing them to filter from the blood all impure matter and acids, destroying micro-organisms which produce ill health and sour blood.

Every one should take something to cleanse the blood at this time of year, and the above simple prescription is the most highly indorsed of the hundreds of home remedies generally used. Mix this yourself, then you will know what you are taking.

Leap for Life. "I came very near getting married three years ago," remarked the spinster who happened to be in a reminiscent mood.

"Indeed!" exclaimed the grass widow. "Tell me about it, dear." "Oh, there isn't much to tell," replied the spinster. "One evening a gentleman escorted me home from church and as we were standing on the front steps I said, 'This is leap year, you know.'" "Well?" queried the g. w. "Then he leaped," continued the other, sadly, "and I haven't seen him since."

BACKACHE AND DESPONDENCY

Are both symptoms of organic derangement, and nature's warning to women of a trouble which will sooner or later declare itself.

How often do we hear women say, "It seems as though my back would break." Yet they continue to drag along and suffer with aches in the small of the back, pain low down in the side, dragging sensations, nervousness and no ambition.

They do not realize that the back is the main-spring of woman's organism and quickly indicates by aching a diseased condition of the feminine organs or kidneys, and that aches and pains will continue until the cause is removed.

Lydia E. Pinkham's Vegetable Compound

made from native roots and herbs has been for many years the most successful remedy in such cases. No other medicine has such a record of cures of feminine ills.

Miss Lena Nagel, of 117 Morgan St., Buffalo, N. Y., writes:—"I was completely worn out and on the verge of nervous prostration. My back ached all the time. I had dreadful periods of pain, was subject to fits of crying and extreme nervousness, and was always weak and tired. Lydia E. Pinkham's Vegetable Compound completely cured me."

Lydia E. Pinkham's Vegetable Compound cures Female Complaints, such as Backache, Falling and Displacements, and all Organic Diseases. Dissolves and expels Tumors at an early stage. It strengthens and tones the Stomach. Cures Headache and Indigestion and invigorates the whole feminine system.

Nothing Too Good For the American People

There is NOTHING TOO GOOD for the American people—that's why we started to make Cascarets Candy Cathartic. The first box made its appearance in 1896, and the enthusiastic endorsement of the people has been bestowed upon Cascarets ever since.

The sale today is at the rate of OVER A MILLION BOXES A MONTH, proving that the American people recognize, that what is BEST FOR THEM is none too good.

Why this enormous patronage? The answer is simple: Cascarets are pure, clean, sweet, mild, fragrant, harmless but effective little tablets for the treatment and cure of Constipation and all Bowel Troubles. They are put up in neat little enamel boxes, easy to buy, easy to carry (in vest-pocket or purse), easy to take and easy of action, always reliable, always the same, they "work while you sleep" and wake you up feeling fine in the morning.

They not only regulate the movement and stimulate the muscular walls of the bowels, but they keep the ENTIRE CANAL CLEAN and antiseptic, forcing out and destroying all disease germs that breed in the accumulated filth unless promptly and regularly discharged. Therefore, they are a great preventive of disease, and may be taken continuously as a precautionary measure.

The new Pure Drugs Act, adopted by Congress on June 30, 1906, and in effect January 1, 1907, is a GOOD LAW and means better and PURE drugs for the American People. We endorse it and will live up to it in SPIRIT and LETTER—an easy task, as we have always been actuated by the same principles and no changes are required in our formula or packaging.

We adopted OUR OWN PURE DRUG LAW in 1896 when the first box of Cascarets came on the market and have lived and worked and produced under it ever since.

To-day, after a record of nearly 100,000,000 boxes sold, Cascarets STAND the greater in PURITY, QUALITY and MEDICINAL MERIT than any other preparation for Bowel trouble in all the world.

This should be a great argument for any one, to try Cascarets AT ONCE, and be healthier and happier for it. Some people have CHRONIC CONSTIPATION with all the horrors derived from it; others have HABITUAL CONSTIPATION from carelessness and neglect, but nearly EVERYBODY has OCCASIONAL CONSTIPATION, which, if not promptly taken care of is liable to result in its degeneration into the worse forms and cause great suffering and perhaps death.

Cascarets, if taken patiently and regularly, will remedy all of these awful troubles, but if taken promptly at the very first sign of an irregularity of the Bowels, will act as the FINEST PREVENTIVE ever discovered and will keep all the machinery running in good order.

We advise you to get a little 10c box of Cascarets TO-DAY and carry it in your purse or vest pocket. Take one when you feel anything unusual about your bowels. Your own druggist will sell you the little box, under GUARANTY of satisfaction or money refunded. All druggists, 10c, 25c, 50c.
