

Nothing I Ate Agreed With Me.

MRS. LENORA BODENHAMER.

Mrs. Lenora Bodenhamer, R. F. D. 1, Box 99, Kernersville, N. C., writes: "I suffered with stomach trouble and indigestion for some time, and nothing that I ate agreed with me. I was very nervous and experienced a continual feeling of uneasiness and fear. I took medicine from the doctor, but it did me no good."

"I found in one of your Peruna books a description of my symptoms. I then wrote to Dr. Hartman for advice. He said I had catarrh of the stomach. I took Peruna and Manalin and followed his directions and can now say that I feel as well as I ever did."

"I hope that all who are afflicted with the same symptoms will take Peruna, as it has certainly cured me."

The above is only one of hundreds who have written similar letters to Dr. Hartman. Just one such case as this entitles Peruna to the candid consideration of every one similarly afflicted. If this be true of the testimony of one person what ought to be the testimony of hundreds, yes thousands, of honest, sincere people? We have in our files a great many other testimonials.

STEAMSHIP BURNED IN LAKE AND LOCATION OF DISASTER.

Five lives were lost and about seventy-five people had a perilously close escape from death and a property loss of \$250,000 was caused when the passenger and freight steamer Naomi of the Crosby Transportation Company burned in the middle of Lake Michigan while on her regular night trip from Grand Haven to Milwaukee.

JUDGE HARGIS FREED.

For the Second Time a Jury Finds Him Not Guilty.

At Lexington, Ky., the jury in the case of Judge James Hargis, charged with the murder of Thomas Cockrill, returned a verdict of not guilty.

Almost three years after the shooting of Town Marshal Cockrill at Jackson the verdict was rendered in the case of the first of those who were charged jointly with the murder, and another chapter in the famous Breathitt county feud annals is concluded. June 21, 1904, Cockrill was shot in the court house at Jackson. He died at Lexington, where he was taken for medical treatment.

During the trial several witnesses swore that Judge Hargis, his brothers and Sheriff Ed. Callahan had entered a murder conspiracy, promising immunity to any one who would shoot Cockrill. Dr. B. D. Cox and J. B. Marcum, all three of whom since then have been killed. The defense, however, presented testimony tending to disprove the conspiracy charge, and Hargis, testifying on his own behalf, denied all connection with the shooting. Curt Jett, who confessed killing Marcum, for which he was given a life sentence, was a witness against Hargis.

The Hargis case had been on trial longer than two weeks. More than fifty witnesses were examined. This is the second acquittal of Hargis, he having been declared not guilty of the murder of James B. Marcum at his trial at Beattyville last July.

Prohibition War in Kansas.

The Kansas Supreme Court has appointed receivers for the property of all the breweries in the United States doing business in Kansas, holding that the State has a right to confiscate all property of any illegal business. Most of the brewers appear to be making little resistance, but all are giving support to the Anheuser-Busch company of St. Louis, which is disposed to fight the order. The receivership rule is based upon the prohibition law which went into effect in 1881.

Reluctant to Claim Estate.

Peter Couture, for eighteen years an obscure mill employe and small shingle manufacturer in Washington, has gone to Ottawa to claim one-third of a \$20,000,000 estate that he and his two brothers will divide. Couture left home after a violent quarrel with his parents twenty years ago. When the news of Couture's fortune reached him a month ago he refused to accept the urgent invitation to go east and aid in settling the estate. He had become enamored of the work in the woods, but finally finding that proof of his inheritance was indisputable, consented to go. He declares he will return to the far northwest when the estate is divided.

Freaks of Fate.

Many wonderful things happen in this country. One of them is the recent election to the United States Senate from a Western State of the son of an immigrant who came to this country in the steerage in the middle of the last century and later married a fellow steerage passenger. But this is not so wonderful as the presence in the Senate of another man who came over in the steerage himself and has risen to a position of power and influence.

WOMEN SUFFER

Many women suffer in silence and drift along from bad to worse, knowing well that they ought to have immediate assistance.

How many women do you know who are perfectly well and strong? The cause may be easily traced to some feminine derangement which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, dragging sensations, flatulency, nervousness, and sleeplessness.

These symptoms are but warnings that there is danger ahead, and unless heeded, a life of suffering or a serious operation is the inevitable result. The best remedy for all these symptoms is

TEN MILLION BOXES A YEAR

The most wonderful record in all history—merit made it. The great sums of money spent in advertising have only served to make CASCARETS known, but the greatest advertisement ever printed could do no more than induce a person to try CASCARETS once—a free sample, or at most, a 10 cent box. Then comes the test, and if CASCARETS had not proved their merit beyond the highest expectations there would not today, after five years on the market, be a sale of nearly a million boxes a month. This great success has been made by the kind words of our friends. No one who has ever tried CASCARETS fails to be pleased and talk nicely about them. CASCARETS are not only easiest to buy, to carry, to take, to give, but are also the best medicine for the bowels ever discovered. Filled full of voluntary testimonials
