L. N. KIME MEETS DEATH IN RUNAWAY

For the Third Time in the Past Two Weeks Our Community Has Been Shocked By a Fatal Accident—This Time by a Runaway Team.

L. N. Kime, an aged man, with his wife and two grand-children had hitched up a four horse team and started to Floyd Kime's to get some coal last Saturday morning, and by some mistake or through an oversight a snap on the check lines was left unhooked or came loose and in starting the team began to run but were nearly checked before starting down a hill when they again started up afresh and the tongue dropped, throwing the front end of the wagon in the air and threw Mr. and Mrs. Kime out but the children remained in the wagon, which stopped as the tongue was broken. Mrs. Kime was not hurt seriously but her husband complained of his breast hurting him and a bruise was found on his back, though it remains unknown how seriously he was hurt since he was subject to heart trouble.

The two children hurried to Frank Kime's place and gave the news. Frank and his wife hurried to the scene of the disaster and were with Mr. Kime at his death, which occurred shortly after their arrival.

L. N. Kime was the father of five robust sons, John, Charles, Frank, Will and Floyd, and one daughter, Mrs. Ladely, all of whom with 23 grand-children, were at the funeral, held Sunday at Charley Kime's place, 40 miles south of Cody, conducted by Rev. Robt. Beale of the Valentine Presbyterian church, who was accompanied

by L. N. Layport and wife, who is a nephew of the deceased.

THE DEMOCRAT extends sympathy to the bereaved family in behalf of Cherry county people.

The relatives wish to thank their friends for assistance and sympathy in their sad bereavement.

Normal Notes

No session of the normal Friday, owing to the fact that a number of students have gone home to spend the Fourth.

The enrollment of the junior normal is 76.

Good fellowship which is so characteristic in the faculty of the Valentine junior normal voiced itself Friday morning during chapel hour when resolutions were passed, carrying remembrances and expression of good will to Supts. Watson, Gregory and others who have been workers here during former years.

Mr. Doremus was given leave of absence Wednesday to visit his home in Madison over the Fourth. He expects to hold the "punk" while the younger generation shoot off firecrackers. Incidentally he hopes to attend to some business that needs attention. His classes were looked after Wednesday by other members of the faculty.

The desire of the good people of Valentine to make it pleasant for those in attendance at the normal was manifested last week in planning an evening ride on horseback. The distance actually

Pabst Purity

The way Pabst secures absolutely pure yeast for fermenting beer proves the care that surrounds every step in making Pabst Blue Ribbon Beer.

To secure an absolutely uniform fermentation, Pabst takes a single cell from its millions of fellows in the drop of pure yeast, and from this one cell grows or cultivates the yeast required for each brew.

Pabst Blue Ribbon

The Beer of Quality is fermented in hermetically sealed vats. From the time it is brewed until it is bottled it never comes in contact with the atmosphere or human hands. It is then properly matured or aged in air-tight, cold-storage tanks.

When ordering beer, ask for Pabst Blue Ribbon. Made by Pabst at Milwaukee. And Bottled only at the Brewery. W. F. A. Meltendorf, Valentine, Neb. Phone 1.

ridden exceeded the planned distance as generously as the beauty of the country around Valentine exceed those of other sections of the state. While it was planned to ride to the fort and back, an enthusiastic leader took the company for a gallop of from thirteen to fifteen miles. The extremely deliberate movements of certain members of the faculty next day gave evidence of even a longer

ride than that.

The first "normal walk" of the session was indulged in Monday evening. Under the enthusiastic leadership of Judge Walcott about forty of the normalites and all of the faculty marched around the lake and ascended the bluffs on the north side. A half hour's strenuous climb brought them to the crest of the hills in time to see a typical western Nebraska sunset. The members of the party who made the climb for the first time were delighted with the unexpected beauty of the scene before them. An open air concert was held for the entertainment of the "beasts of the fields and the birds of the air." A novel and continuous feature of the entertainment was a vaudeville performance by Messrs. Hopper and Doremus. Athletics were also indulged in. There was a tug of war between Miss Thackrey and Mr. Hopper, and as a result the former came near being thrown into the lake. The second number on the athletic list was a hundred yard sprint with Miss Kortz and Judge Walcott as the contestants. The Judge, aided by a large handicap, came very near winning. After an hour of amusement of this sort the party returned to town.

Main street is filled with the speaker's platform and other stands for a block. People must drive around. Teams are not allowed there.

Harrison Davenport has opened up a fruit and confectionery store in the vacant building north of the Corner Store, which he will conduct this summer.

Mr. and Mrs. Moon celebrated their 30th wedding anniversary last week. A number of their friends gathered to spend the evening with them, and they are now receiving congratulations.

D. J. Drebert of the German Mutual Fire Insurance company of Omaha was in the city Tuesday and adjusted the loss of Mrs. Anna Shaughnessy, whose dwelling burned down a couple of weeks ago.

M. M. Warner and wife of the "Mirror," Lyons, Neb., came up Sunday night and were met by Mr. Miller and wife of Oak Creek on the reservation, who took them up for a two weeks visit celebrating and then a trip through the bad lands, camping out.

Hon. C. H. Cornell returned Tuesday evening from a trip to California, where he took his father to spend the summer with a daughter, Mrs. Shady at Lodi. They were guests at Paso Robles Hot Springs, San Francisco a couple of days last week.

L. H. Perkins returned Tuesday evening from a visit of several weeks in Kansas with a sister who lives in Trego county. He also stopped in Omaha and other places down east. Mr. Perkins says it is very dry in Trego county, Kan., very little rain falling there the past year, but 60 or 70 miles east the crops look well.

We desire to express our heartfelt thanks to our friends and neighbors for their kindness in the death and burial of our beloved husband, son and brother, and we especially wish to thank Chas. Reece and Mr. Carr for their splendid talks, and our sad hearts go out to the young men who led the funeral procession.

Mrs. Nile Latta, Mr. and Mrs. Milt Latta, Vera, Guy and Anna Latta.

THE STOCK EXCHANGE

Valentine's Pure Liquor Center

In all ages of the World and in all Countries men have indulged in "social drinks and have used Whiskey for medical purposes." They have always possessed themselves of some popular beverage apart from water and those of the breakfast and tea table. Whether it is Judicious that Mankind should continue to indulge in such things, or whether it would be wise to abstain from all enjoyments of that character, it is not our province to decide. We leave that question to the Moral Philosopher.

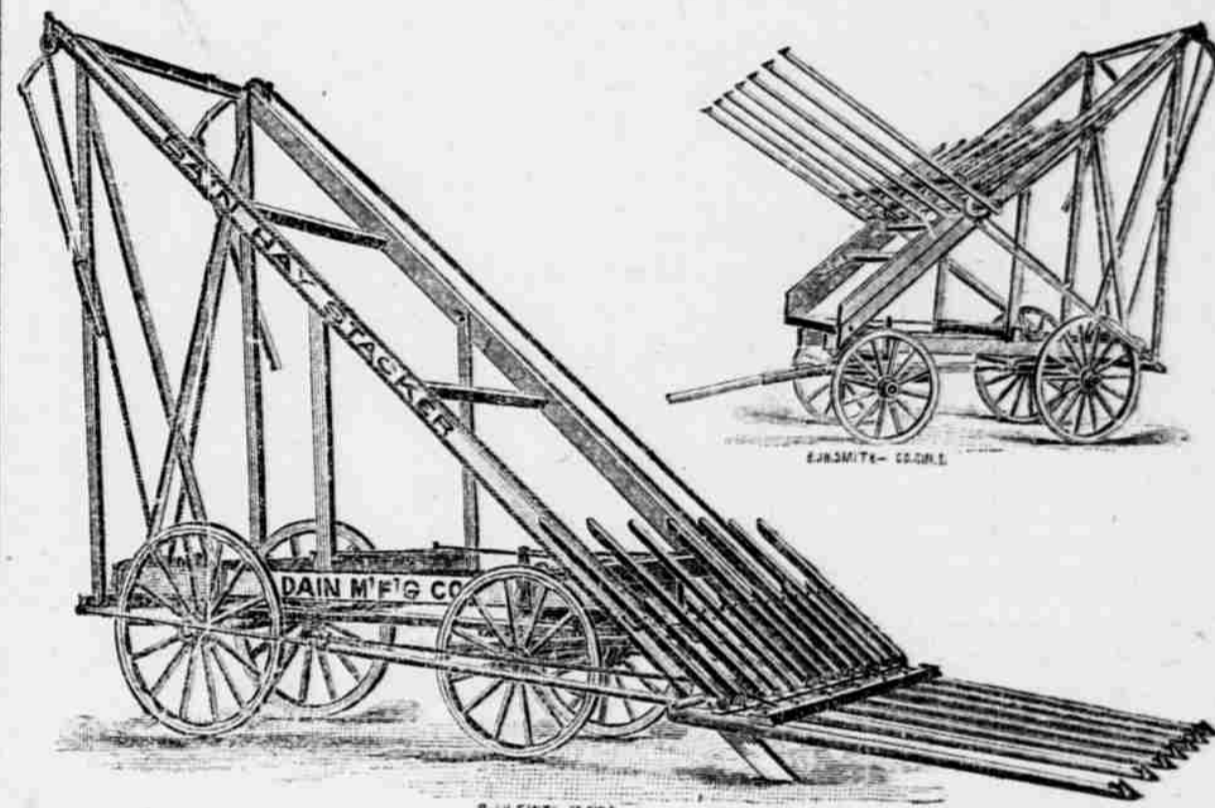

We desire the PUBLIC TO KNOW that we are neither BLENDERS, COMPOUNDERS NOR RECTIFIERS; also that we use the utmost care to purchase our goods from the most reliable houses in America, and just as we get them, they pass into the hands of our customers. PHONE 8 VALENTINE, NEBRASKA

Already people have begun celebrating (Wednesday) and hundreds of people are here on our streets. The call of the caterer, street fakirs and grafters, the fire cracker, windbag, whistles, rubber balloons and snapping matches are "signs of the times." There are busy times in Valentine these days and the sports and games will attract thousands of people the next two days. People are from here Cody, Nenzel, Georgia, Crookston and the German settlement, west, and many are up from the east and south to celebrate for two days. \$1,000 has been subscribed by Valentine citizens to make this the biggest time in years for Valentine. People are coming to see where the money is going. Big balloon ascensions, races and other sports will keep us busy. See the big parade Thursday at ten o'clock. Johnstown base ball boys are here with Mr. Holt, the banker, to play the Gordon team this afternoon. The grand celebration began Tuesday afternoon with a ball game between the Nebraska Glee Club and Valentine boys, the latter winning by a score of 14 to 10. In the evening the glee club gave a concert and play with better success than they had at baseball.
