The play by the Ladies Aid Society of the Presbyterian Church last night was attended by a large crowd and seemed to be enjoyed by all. The ladies wish to publicly thank all of the people who participated.

While in the country Tuesday morning Dr. Compton was attacked by a live species of the tiger family and before he could get away someone's feline had lacerated his left leg in a frightful manner. Nice pussy.

Clyde Rossetter returned Tuesday morning, after a ten days futile search for his escaped prisoners. The two suspects held in Iowa proved to be only a couple of stray hobos. The authorities are without any clew what ever.

Wednesday morning at eight o'clock Father Blaere entered in marriage Miss Clara Crowe and Alvia Green both from Merriman in the presence of a number of relatives. Miss Crowe will be remembered as one of the county's most successful school teachers and Mr. Green is an old resident of Merriman. They left Wednesday night for some place in Montana where the groom has a position with a railroad company.

In last week's issue of THE DEMOCRAT several things were said concerning the jail delivery. Since then we have interviewed Judge Walcott, who said: First—That he was not defending a prisoner, but, instead, was assisting in prosecuting one of them. Second—That when Cole phoned down from Cody, respecting the arrest of suspicious characters, he told Cole to arrest them for vagrancy and to hold them until the county attorney returned. Our report last week was supposed to be authentic. If we have done Judge Walcott an injustice we are willing to apologize. Sometimes what we consider good authority proves to be wrong.

The normal students held another picnic at Walcott's grove Tuesday afternoon.

The weather was fine this time and all reported an enjoyable afternoon.

Sunday evening July 12, Loyd Walcott son of Mr. and Mrs. C.R. Walcott, old residents of Cherry County, married Miss Elsie Mendenhall of Selma, California at Santa Cruz. The groom is well and favorably known here and from newspaper accounts has won a worthy bride.

E. O. Garret of Fremont was in town over Sunday. He has entered the democratic primaries as candidate for lieutenant governor and appears to be well qualified in every respect. Recently he had the honor of attending President Roosevelt's conference of governors and public leaders at the White house and on Monday told the students of the Junior Normal all about it.

George Christopher of Simeon was in town today and tells us that he and W. F. A. Meltendorf have made an agreement that if Taft is elected Mr. Meltendorf is to walk out to Simeon and notify Mr. Christopher of Taft's election, but if W. J. Bryan is elected Mr. Christopher is to walk from his place into town and notify Mr. Meltendorf of Bryan's election to the presidency of the U. S. Seeing it's more than a few minutes walk—some 20 miles or more, mostly through sand ankle deep—it has been arranged that five persons are to accompany the lucky (?) pedestrian to see that he performs his obligation to the letter.

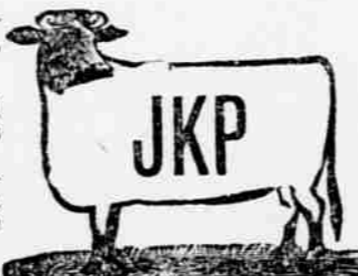

Thos. J. Donahue, one of the cattle salesmen for the Snyder Malone Donahue Co., spent a few days in town the latter part of last week, visiting old time friends and customers. Mr. Donahue has been making Valentine for several years past and we are glad to note that this year he is in business for himself, having taken over the working force of the Jackson, Snyder Co. and the O. K. Paddock Co. on January 1, and organized the above named firm. See their ad in this paper. Mr. Donahue reports crop conditions in eastern Nebraska and Iowa in excellent condition except in the low land which could not stand the excessive rains.

At a meeting of the citizens it was decided to hold a carnival in Valentine on the 22, 23, 24, and 25, of September. A committee has been appointed to secure attractions and on ly those of a high class will be considered. The establishment of an annual carnival marks an epoch in the development of the country. It makes it a possible time when the entire country side may gather together and be amused. It takes the place of the old country fair and from the effort being used to make it successful will be far better. Ball games will be played every day, small sports indulged in, and other attractions brought in from abroad to please the people. Mark these days on your calendar and prepare to come September 22, 23, 24, and 25.
