REGISTER AT VALENTINE

DEPARTMENT OF THE INTERIOR, GENERAL LAND OFFICE

Information Relative to the Opening of the Rosebud or Tripp County Lands.

Any person desiring to register for the opening of the Rosebud lands in South Dakota (Tripp County) under the President's recent proclamation, and the instructions issued by the Secretary of the Interior, must go before a U. S. commissioner or judge or a clerk of a court of record, or a notary public in one of the following towns, viz: Chamberlain, Dallas, Gregory, or Presho in South Dakota, or O'Neill or Valentine in Nebraska, and there sign and swear to an application for registration which will be furnished him by the officer before whom he makes his oath. This application must be sworn to between October 5 and October 17, 1908, and after it is sworn to it must be inclosed, unfolded, in an envelope, which will be furnished by the officer administering the oath, and the envelope must then be addressed and delivered to "James W. Witten, Superintendent of Opening," at either Dallas or Gregory, South Dakota, before 4:30 p. m. on October 17, and not after that, either by mail or in person, or otherwise, but not by registered mail, and the envelope must not have the name of the applicant written on it.

Soldiers and sailors who served for ninety days during the War of the rebellion, the Spanish-American War, or Philippine Insurrection, will not be required to go to either of the above named towns to swear to their applications, but they may appoint agents to present their applications for them, and these appointments may be made and sworn to in any State or Territory. The appointment of an agent by a soldier must be made in writing on a blank form which may be obtained by writing to "James W. Witten, General Land Office, Washington, D. C.," prior to September 25, 1908 or at his headquarters at Dallas, South Dakota, after that date, or from the officer in charge of the registration blanks at either towns named above, after October 4. The appointment must be sworn to by the soldier, and should not be made on any form other than the one prescribed for that purpose. The agent's name must be written into the blank form of appointment before soldier swear to it, as appointments can not be made out in blank and the agent's name subsequently written is to them. The agent must go to one of the towns named above and swear to an application for registration, which will be attached to the soldier's appointment, and he can then deliver the application and appointment to the Superintendent of the Opening, by mail or otherwise, at either Dallas or Gregory, South Dakota. The agent may register both for himself and for one soldier, but the same person can not be agent for more than one soldier, and no person is permitted to take part in the drawing who presents more than one application in his own behalf, either in person or through an agent. A soldier who files by an agent can not therefore, file in person. Soldiers who did not serve during the wars mentioned above have no greater rights than persons who have never served in the army at any time.

A drawing will be held at Dallas, S. D. on October 19, to determine who of the persons registered will be given the right to make entry. If a person draws a number smaller than 4,001 he will be notified by mail, addressed to the postoffice given in his application, unless he subsequently gives another, to appear at some date, probably in the month of March, 1909, when he will be permitted to enter one-quarter section, or less, of these lands, for which he will be required to pay the usual fees and commissions and \$6 an acre. If the number drawn is between 4,000 and 6,001, the applicant will be notified in the same manner of some date in August, 1909, when he can make entry at \$4.50 an acre, if any of the lands remain unentered at that time. The fees and commissions and one-fifth of the purchase money must be paid when the entry is made, and the
