It is to be an elaborate affair and plates will be \$1.00 each. No such time as this will demand our attention for years and there will be a hundred plates or more. Those who are fortunate enough to enroll for this occasion will, beside the entertainment, be gratified with the luxuries of life in one grand feast. Friday evening, May 21st, will be the date. Valentine people are glad to show their appreciation of Prof. Watson in his untiring efforts for Valentine schools.
