## GOYTHAM HAS MOTH PEST.

Myriads of White and Brown Insects Again Sweep Over New York.

What appeared to be a heavy mid-winter snowstorm was really myriads of small white moths which again visited New York all Sunday night. Again the little pests swarmed into the brightly lighted hotels and restaurants and clouded the street lamps, but this time they were accompanied by millions of large brown moths, some of them five inches from tip to tip, and as these fluttered about the lights they looked like bats. A strange feature of these visitations which this summer are worse than ever before, and which the entomologists are trying to fathom, is what becomes of the moths at the break of day. With the first ray of daylight, they disappear, but no one has found where they go.

# VOTERS BEAT TOM JOHNSON.

Cleveland Mayor's 3 Cent Carfare Grant Beaten in Referendum.

Mayor Tom L. Johnson on Tuesday received the most severe defeat of his career in Cleveland when the Schmidt street railway grant was turned down at the referendum election by a majority of 3,763 votes after a campaign which has been the most bitter of recent years. The vote stood: For the grant, 31,022; against, 34,785.

The Schmidt grant provided for a 3 cent fare line on Payne avenue for a distance of two and one-half miles and was intended as the basis of a system that would absorb all the franchises of the Cleveland railway com-

pany as they expired next January, and force a settlement of the eight years' fight on terms to suit Johnson. With the defeat of the Schmidt grant, the alternative evidently desired by the public is the so-called Taylor plan, suggested by Federal Judge Taylor, which provides that new grants shall be made to the Cleveland Railway Company on the basis of an income of 6 per cent to the stockholders at a fair valuation, the fare to be as low as this income will allow with good service on all lines.

Mayor Johnson early admitted his defeat and stated that the fight would go on even though he is beaten at the majority election in the fall. What move he will make next has not been announced.

## OFF TO RESCUE R. E. PEARY.

Steamer Jeanie Sails from St. Johns for North of Greenland.

The Jeanie passed out of St. Johns, N. F., through the straits and into the Atlantic Ocean at 11 o'clock Tuesday morning and started on her long voyage to Etah, on Smith's Sound, on the north of Greenland, with coal and provisions for Robert E. Peary and his party. The ship will bring them back to civilization if they are there, as well as Harry Whitney, of New Haven and Dr. Frederick Cook of Brooklyn, who may have the story of the finding of the north pole or who may be buried somewhere in the snow and ice. Captain Bartlett is confident that he will be back to St. Johns by Oct. 1, if not before, but, like every other man who has taken a boat into the arctic seas, he has a stock of provisions to last him several months longer than that. With the provisions he has on the schooner and with the game he could get, there would be no trouble for the party to live well until the ice breaks up next spring.

## KILLS MAN, WIFE AND SELF.

Stephen Eiser Shoots Two Because Mrs. Eiser Deserted Him.

Stephen Eiser, of Steelton, Pa., shot and killed his brother-in-law, George Goritz, and his sister-in-law, Katherine Goritz, as the couple were about to enter the rooming house where they lived at 11504 Front street, South Chicago. He then turned the pistol on himself with fatal effect. Foritz was 32, his wife 28 and the slayer 42. Eiser was angry at Goritz and his wife because they sheltered Mrs. Eiser when she left her husband. Eiser and Goritz married sisters and lived in Steelton until two months ago, when Goritz and his wife came to South Chicago. Mrs. Goritz urged Mrs. Eiser to come and live with them, and this she did until a few days ago, when she got work as a domestic. Mrs. Eiser is said to have fled from her home because her husband was cruel. He followed her.

Senor Solortega, a Republican Senator, has arrived at Madrid from Barcelona. He denies the recent movement in that city was separatist and says also that the revolutionists during the two days they were masters of the city did not commit a single assassination or act of cruelty. The inmates of the religious institutions fled when the buildings were burned. One of the greatest losses in Barcelona is the libraries of the Christian schools and the Scientific museum, containing together 70,000 volumes. A new civil governor of Barcelona has been appointed.

## Says Women Attacked Monks.

The Paris Figaro's staff correspondent at Barcelona reports that the rioters violated the sepulcher of nuns, but did not harm living nuns. The monks, however, were chased from convents and monasteries while the women in the crowd, who were especially enraged, cried: "Away with you! No longer will you steal our needle and our broodery; no longer will you prevent by your unfair competition our women finding employment."

Some incidents of the rioting assumed the phase of greswome buffoonery. In one convent where there was a big stock of candles the women and children lighted these and held a mock procession, and two mummified bodies of nuns arrayed in magnificent raiment were carried with mock pomp before the residence of a millionaire citizen.

## MADE IMMUNE FROM TYPHOID.

Soldiers Undergo Test and Prove the Value of New Serum.

The last of the series of typhoid tests have been applied to Sergeant Fuller and Privates Schmidt and Goodman, of Fort Omaha, and they have been pronounced immune. In June they were vaccinated with typhoid serum and developed the disease in a mild form. Later they were vaccinated, but the serum did not "take." Ten days ago they underwent the supreme test, that of drinking freely of a gallon of stagnant water into which one million fever germs had been placed. The men were placed in the hospital and closely watched. They should have developed symptoms within five to seven days, but as none has appeared they are now declared immune.

Moffat, of Denver, by sending a note demanding the money under threat of kidnaping Frances McClurg, his 17-year-old daughter, and dynamiting the family home. McClurg was instructed to put the money in a sealed package, and give it to a messenger boy who would call for it. McClurg notified the police, and when the boy called he was followed by detectives, but the blackmailer must have seen the detectives, as he never appeared to meet the boy.

## TEN KILLED IN WRECK.

Trains of Spokane and Inland Line Collide at Coldwell, Wash.

Ten persons were killed and at least sixty were injured in a head-on collision of electric trains on the Spokane and Inland Railway Saturday afternoon. The wreck occurred at Coldwell, Wash., a station between Couer d'Alene, Idaho, and Spokane. No. 20 west-bound train had left Couer d'Alene at 4:30 p. m., and just reached Coldwell when it met No. 5, east bound. Both trains were going at the rate of about fifteen miles an hour. They crashed together without warning to the crew or passengers. The heavily laden coaches were crushed. Men and women were thrown from their seats, some being hurled to the top of the coaches, while others were sent flying through the windows. Several coaches left the track, and passengers were caught under the pile of broken timbers. The Couer d'Alene hospital is now filled with the injured. Only one of the train crew is reported injured.
