No longer are people  
satisfied with crackers  
taken from the grocer's  
box or barrel—exposed to  
dust, moisture, handling.

They have learned that  
the only crackers that are  
crisp, tender, always fresh  
and really *good* are those  
protected by a moisture  
proof package. These  
are the kind they get—  
as if just from the oven—  
when they ask for
