Upon proper showing made by C. F. Childers, a refund of \$2.50 was ordered made to him on tax receipt No. 1509 for year '09, said refund being for poll tax, he hav-

ing paid same in Brown county.

On January 6, 1910 the following was filed with the county clerk:

The undersigned electors ask that a public road, commencing at northeast corner of Section 25, running west to northwest corner of section 30, and commencing at the southeast corner of section 25, running to the southwest corner of section 30, and commencing at northwest corner of lot 4, section 13, running south to southwest corner section 36, and commencing at northwest corner of lot 4, section 14, running south to the southwest corner of section 35, and commencing at the northwest corner of lot 4, section 15, running south to the southwest corner of section 34, and commencing at northwest corner of lot 4, section 16, running south to the southwest corner of section 33, all in township 35, range 25w. Petition is for all above described roads. The undersigned property holders, owning land along above proposed roads do hereby waive all right for damages and agree to furnish right of way of sufficient width to make a public road along their land.

Dated Nov. 24, '09.

C E Meyers Ed Etter
 E J Smith H Todd
 J N Todd F V Kaplan
 W H Todd H A Newland
 C E Smith J N Copeland

In the matter of the above petition the county clerk is instructed to make a thorough examination of the records in his office and ascertain whether or not each and every person who owns land contiguous end adjoining each road above described has signed said petition and waived claims for damages. If upon the completion of his examination he finds that all land owners have given their consent to, and waived damages, said county clerk is instructed to forthwith have the above described roads surveyed by the county surveyor and platted as required by law and their said petition is hereby approved.

A Startling Statement

New York Medical Authorities Claim Dyspepsia to be a Pre-Disposing Cause of Consumption

The post mortem statistics of the big New York hospitals show that some cases of consumption are due, at least indirectly, to unchecked dyspepsia, especially when the victim was predisposed to tuberculosis.

Dyspepsia wears out the body and brain. The weakened, irritable stomach being unable to digest food, the body does not receive the required nourishment, and the victim becomes thin, weak and haggard. As a result, the body becomes a fertile field in which the germs of disease may lodge and flourish.

Therefore, the person who permits dyspepsia to progress unhindered is guilty of contributing toward the development of one of the most insidious and fatal diseases known to mankind.

Dyspepsia may be completely eradicated if properly treated. We sell a remedy that we positively guarantee will completely relieve indigestion or dyspepsia, or the medicine used during the trial will cost the user nothing.

This remedy has been named Rexall Dyspepsia Tablets. Certainly no offer could be more fair, and our offer should be proof positive that Rexall Dyspepsia Tablets are a dependable remedy.

Inasmuch as the medicine will cost you nothing if it does not benefit you, we urge you who are suffering with indigestion or dyspepsia to try Rexall Dyspepsia Tablets. A 25-cent box contains enough medicine for fifteen days' treatment. For chronic cases we have two larger sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in Valentine only at our store.—The Rexall Store, Chapman, The Druggist.

SCHOOL NOTES

MARY JACOBS AND EDNA BROWN.

Examination next week.

Andrew Galloway has not yet returned from the ranch.

The primary room is beautifully decorated with hearts.

The Physics class are struggling with the problems of light.

The sixth grade are working in review problems this week.

Eighteen pupils are back in the primary room—12 since last week.

The class in chemistry are experimenting with electrolysis of water.

Throughout, the high school, with few exceptions, are doing good work.

There has been an increase of seven pupils in the fourth and fifth grades.

Cherrie Leneagh was absent Thursday and Friday on account of sickness.

We miss Clarence Haley from the ninth grade and hope he will soon be with us again.

The attendance of the eighth grade has increased. Three more pupils have returned.

Raymond Reagle and Clyde McNeal are again in school after an absence of one week.

The classes are busy holding class meetings, especially the juniors because they expect to be "next."

The pupils of the high school were glad to have Prof. Bettenga with them again, and also the increased attendance.

The sixth grade are drawing maps of the different sections of the United States and putting them in book form.

The second primary room has been made beautiful by black board drawings and an abundance of unreal snow-flakes.

Our school year is swiftly passing away and soon we must fill our places in the busy world, so let us make use of each moment while we may.

The sophomore English class are closing up their work on "Lady of the Lake." Some splendid work in themes and character work have been written.

We are pleased to see that the students are so interested in reading library books. Over 100 copies of new books have been added to the library. We now have an excellent selection but not shelf room for three-fourths of them.

Registration is going on this week for the preliminary debates. The judges in this debate will choose the debaters to represent the high school in the inter-high school debating league. A number are expected to register and the preliminary will take place next week. Debates with other high schools will be arranged later.

W. L. Klingaman, N. J. Uek, Henry Lansen and Geo. Dew were up from Woodlake Monday.
