

DEATH FOR INSECTS

Something can now be had for the destruction of every insect that flies, creeps, jumps or crawls. This is an especially good season to destroy them as a little later they will multiply with marvelous rapidity.

For bed bugs you will find no surer antidote than

Balls' Bed Bug Killer

It is well to use it now and kill off these pests before they lay eggs for a new crop. We can supply you with the best insecticides for every purpose—for those that infest the home, the barn, or that attack vegetation or stock.

A Safe, Simple System

The system of paying by check was devised by all men—for any man—for you. It is suited to the need of any business, either large or small. It makes no difference whether we pay out \$10 or \$10000 a month. A checking account will serve your needs.

Pay by check, the method puts system into your business and gives you a record of every transaction.
