Contest Notice.

U. S. Land Office, Valentine, Nebraska, May 7, 1910.

A sufficient contest affidavit having been filed in this office by Oliver Barto, contestant, against homestead entry No. 65123, made January 5, 1910, for the SE 1/4 NW 1/4, SW 1/4 NW 1/4, NE 1/4 NW 1/4, and SW 1/4 NW 1/4 of section 29, and NE 1/4 NW 1/4, NW 1/4 NW 1/4 of section 30, Township 28, Range 28, by Walter W. Rust, contestee, in which it is alleged that said Walter W. Rust, on January 5, 1910, made the above described entry, had prior to making said entry the said land determined to leave the United States and go to Canada and become a citizen of Canada and enter land under the laws of that country, but in order that he might speculate on his rights as a homestead entryman under the laws of the United States he selected the land herein described and made the filing herein set out. That prior to making said filing he discussed the matter with one of his neighbors and told him what he intended to do. That he said he would file on this tract of land and then execute a relinquishment and leave it with his father to sell. That when he made said entry he did so not with the intention of complying with the laws as to residence and cultivation but for the purpose only of selling the relinquishment. That in pursuance of this purpose, he made said filing and immediately thereafter executed a relinquishment to said land and placed the same in the hands of his father, D. C. Rust, of Gordon, Nebraska, 1910, that having executed said relinquishment, the entryman then departed for Canada, and declared his intention of becoming a citizen of Canada, and has returned his allegiance to the United States. That said relinquishment is still in the hands of the said D. C. Rust for sale, and the said D. C. Rust, as the agent of the said Walter W. Rust, is offering the same for the sum of \$500. That said entry was not made in good faith and he has availed himself of the same in a fraudulent manner.

Said parties are hereby notified to appear and respond and offer evidence in support of their claims at 10 o'clock a. m. on June 27, 1910, before the register and receiver in the United States Land Office in Valentine, Nebraska. The said contestant having in a proper and lawful manner filed his contest affidavit with the said land office May 7, 1910, and the facts shown that after due diligence personal service of this notice cannot be made it is hereby ordered and directed that such notice be given by one and proper publication.

M. L. S. E. OLSON, Receiver.

Mrs. Housewife:—There's a Happy Medium in Everything

Anything that is overdone or underdone is not good. This is especially true of baking—and it is just as true of baking powder. If you use the cheap and Big Can Kinds you are getting quantity at the sacrifice of quality. It cannot be as good—or as economical as Calumet—the medium price kind. If you use the High Price Kind, you are paying tribute to the Trust—the quality is no better.

Here's the "Full Value" in BAKING POWDER

The Cheap and Big Can Kind

In this can you get more substance but not more baking powder. It is great in quantity only—not in satisfaction.

Calumet, in the Standard 1 lb. can, sells at a moderate cost—but is great in all round satisfaction. You use less of it—it makes the baking lighter, purer—more delicious. One baking will prove its superiority—try it. Ask your grocer and insist on Calumet. Free—large handsome recipe book. Send 4c and slip found in pound can. Calumet Baking Powder Co., Chicago

The Trust Kind

Great in price, little in quantity and the quality is no better—if as good.
