### TOO BUSY TO COUNT MONEY.

When the bank messenger trots down the street in the morning with his little satchel full of specie, carries a gun, moves as fast as can and looks as desperate as possible. When S. H. Kimmel, of Rosebud, came into the Paxton hotel Monday he carried a small ladies' hand bag filled to the brim and bulging with coins, bills, money of every sort, and tossed it over the counter to the clerk without batting an eye. "Put that in the safe," he remarked laconically.

A little later his two daughters, Miss Helen and Miss Hattie Kimmel, came down from their room and asked for their hand bag. "I want some money" explained Miss Hattie and reached unceremoniously into the satchel. She extracted a handful without stopping to count it and put back the bag. About an hour later H. W. Harper, of Valentine, who arrived with them, came and in his turn took out a handful. Then came Mr. Kimmel again and as he pulled his hand forth the clerk, who was fast passing away, counted five fives on the outside of the bunch. For nearly two days that small black satchel has been yielding handfuls of cash to the four people from Rosebud. They haven't offered an explanation, nor is there anything in their conduct to indicate that they consider their bank extraordinary. Whenever they want money, and that has seemed to be, rather often, they come and take it, never stopping to count, and the bag is still as thick as if it was bulging with grain, and in the meantime the poor clerk has chewed off half the marble top of his counter trying to keep from asking them any questions.—Omaha Daily Bee.

### Badger Lake.

(Overlooked last week.)

Charley Spain spent the Fourth at the TO grove.

Wilber Kirk was a visitor at the Barnes' home Sunday.

Cecil Barnes made a trip to Cody just before the Fourth.

Dora Grewe closed a successful term of school in the Barnes district July 1.

Ray Kime is very sick with inflammatory rheumatism. He took down Wednesday and Friday was taken to Cody and then to Hot Springs.

Peter Hoffman of Nenzel spent a day or two in our neighborhood recently, taking his step-daughter, Dora Grewe, who has been teaching in district No. 91, home with him.

The celebration at the TO grove was a grand success. In the ball game the school nine vs a picked up nine, the score stood 7 to 5 in favor of the school nine. In the game between Lake and Newton, the score stood 21 to 2 in favor of Lake. The bowery dance was enjoyed by those who danced.

F. J. Wilsey and son were in town Monday trading. They are on the Bonser farm which is close to three quarter sections of land that Mr. Wilsey bought some time ago near Rosebud. He informs us that people tell him he has the best crop of corn between here and Dallas and a little more rain in the right time will insure a bumper crop. Mr. Wilsey called at our office to get acquainted some time ago and in this issue he inserts an advertisement as an auctioneer. He comes here from Houston Minn., where he was a farmer, stock dealer and auctioneer but was attracted to this part of the country in his trips here buying horses and has come to stay. He says if they farm right here they can raise a crop and he is pleased with the country.

Our VACUUM CLEANER will do your spring house cleaning. Order it from Fischer's Hardware. 14

G. M. HITCHCOCK

G. M. Hitchcock, member of congress from the Second district, has made good and has shown that he is right on the tariff question and is an able representative of the people of his district. He is not a fanatic and does not go wild two or three times a year on some fool question. He is a safe man to represent us as U. S. senator and we heartily indorse him. He needs no introduction to the people of Nebraska.

### Proposals for Painting.

Bids for painting exterior and calcimining interior of school building in district No. 3, will be received up till August 15, 1910, at one o'clock p. m. Outside of building to be painted two coats of white lead and linseed oil. Inside to be sized and calcimined one coat. Size of building 24x36x12. Also one coat of mineral paint on coal house, size 8x12x6, including roof. Right reserved to reject any or all bids.
