There is one here for you. It is well worth remembering when you want something that you can depend upon to cure your particular ailment.

A Safe, Simple System

The system of paying by check was devised by all men-for any man-for you. It is suited to the need of any business, either large or small. It makes no difference whether we pay out \$10 or \$10000 a month. A checking account will serve your needs.

Pay by check, the method puts system into your business and gives you a record of every transaction.
