### DO WE HEAR AN ANSWER?

Senator Cummins, as spokesman for the insurgents, has answered President Taft's plea that the Payne-Aldrich bill, while not perfect, was at least a sincere effort to perform the party's platform pledges.

In his speech at La Crosse, Wis., he said:

"Some men have said we passed a good tariff law. I don't think so. Leaders of the senate and house deliberately repudiated the republican platform and revised the tariff in the interest of the manufacturers and big corporations and not in the interest of the American public. . . . Whenever the American people have opportunity to pass judgment on that tariff bill they will consign the men who made it to eternal infamy."

As the standpat Chicago Inter-Ocean remarks, "Mr. Cummins accuses every republican in congress who had any hand in the making of the law—accuses him of absolutely bad faith and of conscious repudiation of the platform pledges."

What have Senator Burkett and Congressman Norris and Kinkaid, who voted for the tariff law and who are now defending it and asking the people of Nebraska to reelect them—what have they to say in response to Senator Cummins' indictment?

Senator Cummins went further and said that "absolutely no effort had been made in congress to ascertain the difference in cost of production here and abroad." He said that, instead of making such an effort, the republican leaders "contemptuously and deliberately repudiated their platform pledges" and made a tariff bill "to please their business friends and betrayed the American people."

What is the answer of Senator Burkett and of Congressman Norris and Kinkaid to that?

The Maine election went democratic for governor, two out of four congressmen and Eugene Hale will be succeeded in the senate by a democrat. Keep the good work going.

When the children were called to dinner he said he felt too sick to eat, and lay down. After dinner his mother asked if he felt better and found he was dead. The Hyannis doctor came just in time to save the lives of two others.

Mrs. Geo. Hills returned to Gordon September 4th so the four boys could begin school the next day. Mr. Hills and Mr. Reynolds have spent the week shingling his new sod house, which had a temporary roof until after the busy season.
