He has been our foreman for over eight years, and we are glad to have him back at work. He grew up in the country and his ability and acquaintance makes him more valuable as a printer here than any new man we've tried. He knows what to do and can do it.

The Democrat joins their many friends in hearty congratulations.

### A GOOD POSITION

can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute operates six official institutes in America, under supervision of railroad and wireless officials and place all graduates into positions. It will pay you to write them for full details at Davenport, Ia., Cincinnati, O., Portland, Ore., or Memphis, Tenn. 35-5t

For bowel complaints in children always give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil. It is certain to effect a cure and when reduced with water and sweetened is pleasant to take. No physician can prescribe a better remedy. For sale by Chapman, the druggist.

Mr. Taylor is one of those square sort of fellows whom it is a pleasure to meet, and one in whom the people of the sixth district can place confidence that their interests will be honestly protected, a man who will always be found fighting for better government and that which is right, with equality to all and special privileges to none.

Elsmere third annual fair was a great success, exhibits were better than ever before, both in quality and quantity. 124 first premiums were awarded, on grains, grasses and vegetables of different varieties. A large attendance both days. Music was furnished by the Nelson Valley and Elsmere cornet bands, led by Prof. Weber. Sports of all kinds, and something doing all the while, and all went home glad that they attended. The judges on agriculture were Frank Driscoll, of the I. H. Company, Geo. Beebe, of Enders Lake, and Jess Ewing, one of Thomas county's best farmers.
