The funeral was held in Valentine Wednesday.

### BOTH SIDES CLAIM IOWA

Republican Losses in Cities Wipe Out Normal Plurality of Sixty Thousand. Grik's Opponent Carries Every County in the Second District.

Des Moines, Nov. 9.—With 85 per cent of the vote still to be heard from this morning, the governorship is in doubt, with indications leaning toward Claude R. Porter (Dem.) as the successful man.

Progressives and standpatters showed some neighborliness in the congressional fight, although pluralities were shaved to the danger point, they seem to have elected their men in all but one district—the Second—where I. S. Pepper (Dem.) carried every county.

Outside of the governor the Republicans elected their state ticket. Democrats claim the election of W. H. Dewey as a railroad commissioner.

The Daily Capital, with estimates based on scattered precincts in thirty-seven counties, predicts the re-election of Governor Carroll by 3,000. Porter's aids claim that he will have 19,000 plurality at least.

#### Hancock--Wilson.

Miss Nancy Lucile Hancock of Woodlake and Mr. William Hill Wilson of Mt. Leonard, Mo., were united in marriage by the Rev. Wells, Wednesday evening, at 8 o'clock, at the home of the bride's parents, D. A. Hancock and wife, in Woodlake, Nebr.

The home was beautifully decorated in pink and white flowers and ferns. Miss Florence Hanna played a violin solo serenade, with piano accompaniment by Miss Minnie Woodruff, and an appropriate vocal selection was sung by Miss Nellie Easley. Then began Lohengrin's wedding march.

The bride was escorted by her father to the corner of the room under a flower arch, and the bridegroom by Will D. Hancock, uncle of the bride. Miss Mabel Fisher was the bridesmaid.

The service, including the ring ceremony, was beautiful and impressive, after which eighty guests in turn offered congratulations, many of the lady and gentleman friends kissing the bride and many of the ladies kissing the bridegroom in good old custom of companionship, while Mendelssohn's wedding march was played.

Many valuable and beautiful presents were received, among which were a variety of cut glass and hand painted chinaware, several sets of silver and seven carving sets, which would carve a possum, we guess.

The wedding supper was served on plates by four of the young ladies and the punch bowl was presided over by two young ladies.

The bride wore a beautiful white Longerie gown, trimmed in Valenciennes lace, and a long tulle veil, held in place by a wreath of bridal roses, and carried a shower bouquet of roses which was caught by Miss Hanna when she threw it to the crowd.

The bridal cake, containing a silver coin, a penny, needle, thimble and a ring, emblematic of wealth, poverty, bachelorhood, spinsterhood and matrimony, was divided among the guests, creating much mirthfulness.

Sixteen guests were from Ainsworth and twelve from Valentine, which included Mesdames Charles Sparks, M. V. Nicholson, W. E. Hale, J. C. Quigley and I. M. Rice, and Miss Wade; Messrs. Walcott, Sparks, Quigley, Bates, Rice and Rev. Wells.

The bridal couple departed on the 12 o'clock eastbound for Missouri, amid showers of rice and other promiscuous missiles and decorations.

Mr. Wilson was accompanied here by his brother and Will Hancock, and we hear he is a prosperous Missouri farmer and worthy of the accomplished bride he has chosen, of which he is well aware, they being acquainted for years.

#### Resolutions.

Whereas, our beloved brother, William Theron Bullis, departed this life on Oct. 28, at Sturgis, S. D., at the age of 71 years, and

Whereas, the members of Minnehaduzza lodge, No. 192, A. F. & A. M., of which he was a charter member, and thereafter a life long, enthusiastic and highly esteemed brother, in stated meeting assembled, on Tuesday evening, Nov. 8, 1910, did authorize and appoint, by the authority of its Master, the undersigned committee to draft and publish suitable resolutions to express their appreciation of the departed brother's zealous and untiring labors for the Order in general as well as for his home lodge in particular, and their extreme sorrow because of his death, therefore be it

Resolved, that the death of Bro. Bullis has filled the hearts of his brethren with deep and abiding distress, and has brought not only upon the lodge of which a member, but upon the Order at large wherever he may have been a sojourner, a severe loss.

Resolved, that his brethren of the Masonic fraternity mourn, not only because Bro. Bullis' column is broken and his valued services within our sacred circle have ceased, but also because they have lost a personal friend whose genial presence ever afforded constant pleasure and whose faithfulness and zeal for the Order always exhibited a splendid example of an honored citizen and a Mason.

May he rest in peace until called upon to arise and share in all the glories of the resurrection morn.

Resolved, that these resolutions be spread upon our records as a lasting tribute to his memory, and that a copy be sent to the local papers for publication, as well as to the sorrowing widow and children.

## "THEY SAVED MY BOY FROM A DRUNKARD'S GRAVE"

AND THEY CAN DO THE SAME FOR YOURS

I AM A MOTHER—  
And I know a mother's love for her boys and the terrible anxiety and grief which only the fancy of alcohol can cause. Many were the promises which my boy gave me to quit drinking and each time he broke them.  
Many were the times that I knelt in silent communion with my God and asked Him to give my boy back to me—the lovable, manly, honorable boy of old—but my prayers seemed unavailing.  
His will power was dead and although he tried to quit and fought valiantly against the terrible craving for alcohol, he was unable to do so and he seemed doomed to fill a drunkard's grave.

As a last resort he consented to take the  
**NEAL THREE DAY CURE**  
DRINK HABIT

and he was cured at last.  
After taking the marvelous Neal Treatment, he threw his arms about me and cried, "Mother, you have saved me from a drunkard's grave." The grand Neal Treatment saved my boy for me and it can do the same for yours.  
The above is but one of many letters which come to us from happy mothers, wives and sisters whose dear ones have been saved and restored to them.  
It tells in a few words the story of the Neal Three Day Drink Habit Cure, which in the space of seventy-two hours will cure any drinking man of alcoholism—cure him perfectly and completely, destroying all appetite, desire or craving for liquor—remove all accumulated alcoholic poisons from his system—make a new man of him—in six hours—him completely of alcoholism.  
A periodical or habitual drinking man can no more resist the craving for alcohol than the craving for water when it is handy.

IN THE PRIVACY OF YOUR OWN HOME  
you can completely and perfectly cure your son, husband or brother, by administering to him the

## NEAL HOME TREATMENT

Which consists of purely vegetable medicines which are simply administered and which, in three day's time will cure any case of alcoholism—no matter how serious—no how long the patient has drunk. This is done under an absolute legal binding.

GUARANTEE CONTRACT  
Which plainly states that if, at the end of the third day's treatment, the patient—his friends, doctor or family—are not entirely satisfied with the results accomplished and perfectly satisfied that he is completely cured of the drink habit—that the fee will be refunded instantly. Send for a copy of the contract.

BUT THREE DAYS  
In the privacy of your home are required to effect a complete and perfect cure. The Neal Home Treatment is not a secret treatment—for the drink habit can not be cured by such methods—but that it does cure drunkenness in the space of three consecutive days is attested by the hundreds of testimonials and

NO HYPODERMICS  
Are used in the Neal Home Treatment—nothing but plain vegetable medicines which are administered internally. The use of hypodermics is dangerous in this respect.

WE OFFER TO PROVE  
To you that any man can be cured of the drink habit in 3 days time and that the Neal Home Treatment will effect a perfect and complete cure in that time.  
YOU TAKE NO CHANCE  
If there is a chance we take it, for the Neal Home Treatment is furnished you upon a "No Cure, No Pay" basis—you don't even have to pay us until after the treatment has been administered and its merits proved—unless you want to.

WRITE TODAY—NOW, for our book which tells all about the cause and cure of alcoholism—it's free, and you put yourself under no obligations to us by writing for it. Sent in plain, sealed wrapper.
