Miss Margaret McLaughlin, daughter of Michael McLaughlin, died Tuesday last week of her nervous affliction and heart trouble at the age of 21 years past, at the family home near Crookston. The funeral was held Thursday at the Catholic church and the remains laid to rest in Mt. Hope cemetery.

At the home of Mr. and Mrs. A. F. Cumbow of Red Deer, Neb., on Nov. 9, David Groves and Miss Mary B. Herron were united in marriage. The groom is a son of J. W. Groves of Woodlake, and the bride is the youngest daughter of Mr. and Mrs. P. Herron, also of Woodlake. We bespeak for this worthy young couple a happy and successful life.

Schwab For San Francisco. Charles M. Schwab, former head of the steel trust says: "I favor San Francisco for the Panama-Pacific exposition in 1915, and you can put me down among the boosters. I will also promise that if San Francisco holds the exposition the Bethlehem Steel company will take part by exhibiting its products of armor and armament, an exhibit that has not appeared since the Centennial exposition in 1876."

Hitchcock Favours San Francisco. Frank Hitchcock, postmaster general, says: "Nothing would please me more highly than the selection of San Francisco for the Panama-Pacific exposition, and I think the record of rebuilding and the recovery from the fire, as well as the remarkable record made in the raising of money for the support of the fair, should be recognized, and will have great weight with congress in reaching a decision as to the location of the exposition."

San Francisco's Big Bid. San Francisco has raised its bid for the Panama celebration to \$17,500,000. If money talks as much to the point in this matter as it does in most other affairs of life, the contest is already over. New Orleans will have to be satisfied with the Mardi Gras.—Rochester (N. Y.) Democrat-Cronicle.

NO BID ON BONDS OF NEW ORLEANS

City Unable to Obtain Funds For Proposed Improvements.

MUCH DISAPPOINTMENT FELT

Municipal Betterments to Cost Seven Million Dollars Likely to Be Held Up Indefinitely—Looks as Though the Crescent City Was Hardly in a Position to Finance a World's Exposition.

New Orleans has no bidders for her \$7,000,000 of sewerage bonds and water bonds and it looks as though her greatest project for municipal improvement would be held up indefinitely through lack of funds to prosecute the work. It would seem as though New Orleans was hardly in a position to finance a World's exposition, even with the aid of the state of Louisiana, when her local bankers refuse to purchase her bonds on their own terms.

The financial predicament of San Francisco's rival for exposition honors is told in the following press dispatch from the Crescent City:

"New Orleans, La.—Oct. 4.—Despite several months of negotiation through the Hibernia Bank and Trust company, and in spite of a special act of the last legislature to facilitate the financial negotiations, when the city board of liquidation met at noon today there was no bid for the \$7,000,000 improvement bonds by which the great sewerage and water project of this city was to have been completed.

"Much disappointment is felt at the failure of the bonds to sell, as this great municipal project may be seriously delayed. Mayor Behrman and City Attorney I. D. Moore both issued statements tonight explaining the reasons.

"About a year ago, the Interstate Bank and Trust company agreed to finance the \$7,000,000 bond issue provided it was given the benefit of being the depository of the funds collected at 2 per cent interest. The contention was raised that the bond taker could not be the depository. Then a legislative enactment was secured to make it legal for the buyer to become the fiscal agent of the funds, but still the bonds are unsold."

BOND INTEREST EQUALS TAX

Louisiana Exposition Securities Will Be Unpaid at End of Ten Years.

The following press dispatch, published in the New Orleans Times-Democrat, is self-explanatory:

"Crowley, La., Sept. 23.—A petition to the voters of Acadia parish is being circulated, calling upon the voters to register in order to be in a position to vote against the Panama exposition tax, Nov. 8. The petition recites that according to the statement, the country parishes are assessed at \$204,378,526 and the city or parish of New Orleans at \$231,045,937, and that as per the present assessment the country will pay \$106,639.80 per year, or \$1,066,398 in 10 years, and New Orleans \$173,284.45 per year, or in 10 years \$1,732,844.50. It states further that the interest on these bonds will be \$280,000 per year, or just about equal to the amount of tax paid in each year, so that at the end of 10 years the state will still owe the six and one-half million dollars at 4 per cent interest bonds, which by the act of the parish of Orleans proposes to pay. The sentiment is divided on this question of taxation, and the promoters of this petition declare that they will push it through."

Give California Fair Deal.

There seems to be a controversy on between New Orleans and San Francisco for the World's Panama Exposition, which will be held in 1915. Both cities are claiming that they are each the most logical point for the great exposition and then they clamor about the money possibilities. While we are not inclined to mix up in this fight and injure the possibilities of either place by settling the question as to where the exposition shall be held, yet we think the west is entitled to some of the good things, and we suggest that the Sunset state be given at least a fair deal in this matter.—Gallup (N. M.) Republican.

Will Benefit The Whole Coast.

The Napa Register says the master of the State Grange expresses the sentiments of the people living in that section when he says of the proposed Panama-Pacific exposition: "An exposition of this nature, if properly managed, can not fail to be of vast benefit, not only to California, but to the whole Pacific coast. I believe the Grange will do well to favor and encourage the movement."

Will Pay Its Own Bills.

San Francisco boosters are going about in the most practical way to a secure support for their proposed exposition. They have raised a large sum of money, more than was ever invested in an exposition in America, and propose to pay their own bills without tapping the government till. This will commend San Francisco to the public.—Omaha Bee.

Get Your Trees Ready for Winter.

Stop cultivating deep. Let them shed their leaves and ripen up their wood by only keeping a dust on top of ground to retain moisture in ground, and on town lots where trees are watered gradually reduce amount of water. A tree needs moist ground during fall and winter. If town lot trees need water later water them at freezing up time for their winter use.

We have all the varieties of Cherry, Plum, Apple and Forest and Shade Trees, Evergreens, Small Fruit Shrubs, Roses and other ornamentals. GET THE CHEAPEST for a long time usefulness. In the matter of the estate of Joseph R. Brown, deceased:
A duly verified petition having been filed in my office, praying for the probate of the estate of Joseph R. Brown, deceased, without administration, and it satisfactorily appearing to me that the statements made in said petition are true, it is hereby ordered that a hearing on said petition be had on the 3rd day of December, 1910, at 10 o'clock a. m. at my office in Valentine, Cherry county, Nebraska, at which time all persons interested in said estate may appear and show cause, if any there be, why said petition should not be granted.
Witness my hand and seal of said court, this 16th day of November, 1910.

I have recommended it to my friends and they all agree with me. For sale by Chapman, the druggist."

Hint to Louisiana. Louisiana will have to be up and doing if it is to capture the Panama International Exposition of 1915. A special session of the California legislature has proposed two amendments to the state constitution which will allow an additional \$10,000,000 for the financing of the exposition, and over \$7,000,000 has already been provided by private subscription.—Cincinnati Southwest.

"THEY SAVED MY BOY FROM A DRUNKARD'S GRAVE" AND THEY CAN DO THE SAME FOR YOURS

I AM A MOTHER—
And I know a mother's love for her boys and the terrible anxiety and grief which only the fangs of alcohol can cause. Many were the promises which my boy gave me to quit drinking and each time he broke them. Many were the times that I knelt in silent communion with my God and asked Him to give my boy back to me—the lovable, manly, honorable boy of old—but my prayers seemed unavailing.

His will power was dead and although he was tried to quit and fought valiantly against the terrible craving for alcohol, he was unable to do so and he seemed doomed to fill a drunkard's grave.
As a last resort he consented to take the NEAL THREE DAY CURE DRINK HABIT and he was cured at last.

After taking the marvelous Neal Treatment, he threw his arms about me and cried, "Mother, you have saved me from a drunkard's grave." The grand Neal Treatment saved my boy for me and it can do the same for yours.

The above is but one of many letters which come to us from happy mothers, wives and sisters whose dear ones have been saved and restored to them. It tells in a few words the story of the Neal Three Day Drink Habit Cure, which in the space of seventy-two hours will cure any drinking man of alcoholism—cure him perfectly and completely, destroying all appetite, desire or craving for liquor—remove all accumulated alcoholic poisons from his system—make a new man of him—in short—cure him completely of alcoholism.

A periodical or habitual drinking man can no more resist the craving for alcohol than the craving for water when it is handy.

IN THE PRIVACY OF YOUR OWN HOME you can completely and perfectly cure your son, husband or brother, by administering to him the

NEAL HOME TREATMENT

Which consists of purely vegetable medicines which are simply administered and which, in three days' time will cure any case of alcoholism—no matter how serious—or how long the patient has drunk. This is done under an absolute legal binding.

GUARANTEE CONTRACT
Which plainly states that if, at the end of the third day's treatment, the patient—his friends, doctor or family—are not entirely satisfied with the results accomplished and perfectly satisfied that he is completely cured of the drink habit—that the fee will be refunded instantly. Send for a copy of the contract.

NO HYPODERMIS
Are used in the Neal Home Treatment—nothing but plain vegetable medicines which are administered internally. The use of hypodermics is dangerous in this respect.

WE OFFER TO PROVE
To you that any man can be cured of the drink habit in 3 days' time and that the Neal Home Treatment will effect a perfect and complete cure in that time.

YOU TAKE NO CHANCE
If there is a chance we take it, for the Neal Home Treatment is furnished you upon a "No Cure, No Pay" basis—you don't even have to pay us until after the treatment has been administered and its merits proved—unless you want to WRITE TODAY—NOW, for our book which tells all about the cause and cure of alcoholism—it's free, and you put yourself under no obligations to us by writing for it. Sent in plain, sealed wrapper.
