30 Years of Success

Chapman, The Druggist, Offers a Remedy for Catarrh. The Medicine Costs Nothing if it Fails.

When a medicine effects a successful treatment in a very large majority of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not completely relieve catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people to substantiate. We want them to try Rexall Mucuo-Tone, a medicine prepared from a prescription of a physician with whom catarrh was a specialty, and who has a record of thirty years of enviable success to his record.

We receive more good reports about Rexall Mucuo-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucuo-Tone is, it would be the only catarrh remedy we would have any demand for.

Rexall Mucuo-Tone is quickly absorbed and by its therapeutic effect tends to disinfect and cleanse the entire mucous membrane tract, to destroy and remove the parasites which injure the membrane, to soothe the irritation and heal the soreness, stop the mucous discharge, build up strong, healthy tissue and relieve the blood and system of diseased matter. Its influence is toward stimulating the mucous cells, aiding digestion and improving nutrition until the whole body vibrates with healthy activity. In a comparatively short time it brings about a noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Rexall Mucuo-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucuo-Tone in two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in Valentine only at our store, —The Rexall Store. Chapman, The Druggist.

A touch of cold weather this week with a light snow Monday night gives warning of the approach of winter, though the weather has been so mild up to the present week that very little coal has been consumed for heating.

A Tripp county man, in hauling out a load of lumber and coal from Valentine last week, upset his wagon in a creek near Sam Bordeaux's place and broke his leg pretty badly and was severely bruised. We didn't learn his name.

Carl W. Bivens and wife and son are in town to attend the Caton-Boyer wedding. Mrs. Bivens will go home with Miss Cora Thackrey, who is also in town, to visit with her and at C. S. Reece's several days, and Mr. Bivens will drive over from Purdum for her in a few days.

Charley Maxwell has sold his home in this city to Sam Grooms and is going down to Southern Missouri, where he has bought a farm near Fred Brayton, whom he went down to visit some time ago. "Back home on a visit," brings fond memories to all who have moved away from home and friends of our youth. Dave Dunn and wife of North Table went back east last week, leaving here Friday. They will stop to see John Britt and family at Hopkinton, Iowa, and from there go to Illinois where they will drink apple cider and eat apples. Hot biscuits, butter, honey, and country cured ham and gravy, with several varieties of other foods, will be the breakfast, and they'll sit around and talk from morning till night, with just enough exercise to feel good and enjoy a visit.

John Slonecker and family have moved into the dwelling formerly occupied by W. S. Jackson and wife and has purchased an interest in the Red Front Merc. Co. store where he began work Monday. Mrs. Slonecker has recovered from her attack of rheumatism with which she was severely afflicted during the summer on the farm near Ainsworth.

John Keeley was in town yesterday from his homestead near Swan lake where he has made quite a start the past summer as a rancher. He and his wife, while coming to town three or four weeks ago, had an unfortunate runaway in which John had a strained wrist and Mrs. Keeley, her ankle ligaments torn loose. They are both doing fairly well at present and John is now trying to market his hay.

A Tripp county man by the name of Hawkins while hauling hay for George D. Huggins with a span of mules a couple of weeks ago was killed in a runaway caused by the mules becoming frightened at an automobile driven by Charley Logan of Norden. We tried to get the particulars of this last week but learned nothing further than this and that the deceased was brought to Valentine for burial.

D. M. Jeffers and wife returned last week from a visit to their old home in Iowa among relatives and friends. It had been 20 years since Mr. Jeffers had seen the old home and he noted many changes since he left there. Not many families remained there that he knew 20 years ago. A railroad now runs through his old farm and there is a junction and big town close by. Big coal mines were located under these lands some years ago and those who held their lands became wealthy.

The Polmatier Sisters' Challenge Orchestra and Concert Co., will appear at the opera house Wednesday, Dec. 7, under the auspices of the F. O. E. lodge, in an up-to-date musical program that will please and hold any audience spell bound the entire evening. Their original college and Gypsy acts are alone worth the price of admission. They also make a specialty of high class orchestra novelties, solo, trio and chorus singing. Humorous readings, sketches and impersonating and the best that can be produced in solo and combination playing on the violin, flute, clarinet, cornet, trombone, cello, bells, xylophone and piano. The appearance of the handsome young ladies in itself a refreshing treat and their beautiful costumes, scenic and electric equipment helps to beautify a program that is well nigh perfect. This is one of the propositions you cannot afford to miss, for it will be the event of the season.
