**How to Tell If Your Hair Is Diseased.**

Even if you have a luxuriant head of hair you may want to know whether it is in a healthy condition or not. 98 per cent of the people need a hair tonic.

Pull a hair out of your head; if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want every one whose hair requires treatment to try Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and cure baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it our risk. Two sizes, 50c and \$1.00. Sold only at our store—The Rexall Store. Chapman, The Druggist.

**VICTORY FOR INSURRECTOS**

Mexican Troops Cooped Up in Ojinaga and Cochihilo Parrado.

HUNDRED MEN ARE KILLED.

Detachment of Colonel Dorante, Which Was Trying to Escape From Coyama, Cut to Pieces in Defile—Federal Forces Are Divided.

Presido, Tex., Feb. 1.—Outgeneraled and defeated with a loss of more than one hundred soldiers killed, the federal forces of General Luque are divided and cooped up in the towns of Ojinaga and Cochihilo Parrado.

General Luque, with less than one hundred men, occupies Ojinaga and Colonel Dorante, with about two hundred cavalry, is at Cochihilo Parrado.

The insurrectos occupy every road leading into both towns and will not permit provisions nor forage to be carried in.

The campfires of the insurrectos are visible from Presido and the rebels can be seen patrolling the roads within five miles of Ojinaga. Following the rebel ambush, into which he was driven at Coyama last week, where he lost more than one hundred killed, Colonel Dorante on Sunday led his men from their place of refuge with the evident intention of avoiding the mountain trails where chances of another ambush by the insurrectos were plentiful. The rebels, under Jose de la Cruz Sanchez and T. Orega, quickly divided Dorante's force. The result was that the leader of the federal soldiers was flanked, and when his file attempted to pass through a canyon at Boquillita, a murderous fire met them. The command rushed from the canyon and a detachment of insurrectos charged them. A fierce fight ensued. Slowly the federal forces were forced back in the direction of Cochihilo Parrado. The insurrectos are hurrying reinforcements to Sanchez.

The insurrectos declare that Dorante never will be permitted to return to town, but will be cut to pieces in the foothills. A correspondent interviewed Jose de la Cruz Sanchez, the insurrecto leader.

"We could take Ojinaga at any time," he said. "The wives and families of many of our men are shut up in the town. They probably will be killed by the soldiers if we make an attack."

Man's Body Is Cut in Two. Sheridan, Wyo., Feb. 1.—William H. Robbins, county commissioner of Johnson county, a prominent stockman and rancher, met a terrible death in a sawmill on Rock creek, when he slipped on the icy floor, his coat caught in the clutch of the log carriage and he was drawn onto the rapidly revolving saw, which cleft his body in twain.
