### In the District Court of Cherry County, Nebraska

In the matter of the application of William E. Haley, guardian of the estate of Amelia Hoffman, an insane person, for the sale of real estate:

On reading and filing the petition duly verified of William E. Haley, guardian of the estate of Amelia Hoffman, and insane person, for license to sell the following described real estate, to-wit: Northwest quarter (nw 1/4), section twenty (20), township thirty-three (33), north, range thirty (30), Cherry county, Nebraska, for the purpose of raising funds for the payment of taxes and debts against said estate and for the purpose of investing to the residue from the proceeds of said sale for the use and benefit of the said Amelia Hoffman, and it appearing to the Court from said petition that said real estate consists of unimproved wild prairie land in Cherry county, Nebraska, and that the income from said land is insufficient to pay said taxes and debts.

It is, therefore, ordered and adjudged that the next of kin of said Amelia Hoffman and all persons interested in said estate appear before me at Chambers in the Court House in the City of Rosebud, Sheridan county, Nebraska, on the 24th day of February, 1911, at 10 o'clock a. m., to show cause, if any there be, why license should not be granted to the said William E. Haley, guardian, to sell said real estate for the purposes above set forth.

And it is further ordered that a copy of this order be personally served on all persons interested in said estate as required by law and that a copy of this order be published once each week for three successive weeks in the Valentine Democrat, a newspaper printed and published in said county of Cherry.

Dated at Valentine, Nebraska, this 23rd day of January, 1911.

### BOY LOSES HOMESTEAD

Youth Who Filed on Claim in South Dakota Fails to Find a Wife.

Aberdeen, S. D., Feb. 1.—A young homesteader who allowed his ambition to own a South Dakota farm to overcome his regard for the law, causing him to make entry on a homestead when but nineteen years of age, is in a sad predicament. Covetous persons learned his age and threatened to contest his entry. The young man consulted an attorney, who advised him to qualify by marrying, telling him that as a head of a family his homestead could not be contested. Determined to keep the claim at all hazards, the young man sallied forth in search of a helpmate, and the papers say he proposed to twenty-seven young women and widows in that section of Carson county, but without result, and when the date for hearing the contest came, the young man did not appear. He had failed in his efforts to become the head of a family, and therefore had failed to earn his homestead.

### WIN RACE FOR LIFE UPON ICE

Two Men and Three Women Leap From Cake to Cake.

Sault Ste. Marie, Mich., Feb. 1.—Leaping from cake to cake of the floating ice floes in the St. Mary's river, two men and three women reached shore after a thrilling experience. The party was spending the evening fishing in a shanty on the river when a fifty-mile gale arose and a great mass of ice was released at the rapids and driven downstream with terrific force.

All around the fishing shanty the ice began to break and the men and women started for the shore in a race for their lives. The men took turns in helping the women and one of the latter failed.

The cries of the party finally attracted attention from people on shore, who assisted in the rescue.

Advice Concerning Stomach Troubles and How to Remedy Them.

Do not neglect indigestion which leads to all sorts of ills and complications. An eminent doctor once said that ninety-five per cent of all the ills of the human body have their origin in a disordered stomach.

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which ReXall Dyspepsia Tablets are made.

Our experience with ReXall Dyspepsia Tablets leads us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.
