Mr. Long, who is 77 this month, has just returned from the cancer hospital at Hot Springs, where he had three cancers of his face removed. There is a soldiers home there and he was told that he was a better man physically than any soldier in the home. He and the people here do not feel very kindly towards Senator Lodge for killing the pension bill, nor to President Taft for his expressions concerning it. Senator Carson of Kansas is more appreciated.

### MILITIA OFFICERS TO GO

Invited by War Office to Observe Operations in Texas.

Lincoln, March 11.—A chance has been extended to a few of the officers of the Nebraska national guard to see the mobilization and maneuvers of the troops on the Mexican border. The adjutant general of the state militia has received a request from the war department for a list of men who could be recommended to take the trip for observation and instruction at the expense of the government. The invitation asks for the expense estimate for getting the men to the nearest maneuver camp and the government reserves the right to make its own selections from the list. Adjutant General Phelps will make immediate preparations for a Nebraska representation at the front.
