Fred Busse went up to Merriman and Saturday and Monday conducted a special sale in one of the stores at that place.

Mrs. L. C. Sparks returned last Thursday from a six weeks' visit in Indiana and Michigan with relatives. Her aunt, whom she especially went to see, recovered.

George W. Kellar of Cascade was in Valentine yesterday on business and we enjoyed a pleasant visit with him at our office. He's a pleasant man to meet and he doesn't come often.

Fred Vincent and wife came up last week from Dwight to visit Gust Carlson's family. Fred went back Sunday night leaving Emma and their two boys to visit awhile with grandpa and grandma.

C. V. Lindstedt and Robert McLamy called on us Tuesday. The former lives at Havelock, the latter near Banner and he was in town closing a deal for a quarter of land from James Carrico to his son.

Wash Honey was up from Wood Lake Tuesday and is looking pretty well. He came in to visit for awhile and watched a few interesting games of checkers between Col. Harrison and I. M. Rice.

The Eastern Merc. Co. John M. Day, proprietor, conducted auctions of their stock last Saturday and at other times sold at private sale and disposed of several hundred dollars worth of stock the past week.

Jim Kreyck came home from the Lincoln Business College last Tuesday where he has been attending the past seven months and completed the course. He is going out to his father's ranch to make hay during the summer near Arabia.

Frank Brayton came home from Hot Springs last Saturday morning. He had been there four weeks trying to leave his rheumatism but it wouldn't let loose. He's some better but still limps around like he had birds eggs in his shoes and afraid to mash them. Thinks he'll go back to Hot Springs in a few days or back east for treatment.

Harry and Miss Blanche Springer of Eli came down to Valentine Tuesday and Miss Springer is spending the week visiting numerous friends in town. She appears to be fully recovered from her recent illness. Harry tells us that his father, Leroy Springer, is flat on his back with inflammatory rheumatism the past two weeks. Came on him suddenly and is first attack.

Jordan and is going to move away but hasn't yet decided where he will go, but he will treat his friends to a big free lunch at noon on the day of his sale. See his big sale bills and advertisement in this paper.

Robert I. Hines and his father-in-law, George W. Dart, were in town yesterday on business. Mr. Hines now lives on the William Carter homestead 1½ miles east of Lake postoffice. He bought 600 acres of the Gunderson ranch. Mr. Dart is filing on a homestead joining him and they will have their dwellings in the same yard. Mr. Dart is from Washington, Kansas.

Mrs. McCloy's three children took scarlet fever week ago Sunday and grew worse until Saturday when the little boy James died. Elizabeth died Saturday night and both were buried Sunday. The other little girl is seriously ill yet, but is reported recovering. They moved recently to the Presbyterian manse where the Bettenga children died last winter and it is thought the children came into contact with germs left by lack of sufficient fumigation at the barn or closet.

The notice of the annual alumni business meeting reached us too late for publication last week, but we are able this week to give a report of the meeting. Those present were Alfa Dunham, '07; Hazel Graham, '10; Lee Stillwell, '10; Wm. B. Haley, '06; John W. Harvy, '06; Charles Helzer, '08-'09; Geo. E. Hornby, '07. The officers elected for the coming year are Hazel Graham, president; Lee Stillwell, vice president; Geo. H. Hornby, secretary. John Harvy, treasurer. The official year commences after the 1911 initiation, which will occur Saturday, May 27, at 8 p. m. It was voted that the retiring president, George E. Hornby, appoint four members, himself to be the fifth member and chairman of a committee of the whole, which will meet at the home of Wm. Haley, Saturday evening, May 20. They are Geo. E. Hornby, chairman, Hazel Graham, Wm. B. Haley, Charles Helzer and Alfa Dunham. A plan for issuing an annual bulletin to contain the names and addresses of the members and other information and communications from members and teachers, etc., was discussed and recommended to be acted upon by the committee, provided a sufficient fund for that purpose is forthcoming from the membership dues. All material for the bulletin, also changes of name or address, should be sent to the secretary by July 1, 1911.
