

A Safe, Simple System

The system of paying by check was devised by all men—for any man—for you. It is suited to the need of any business, either large or small. It makes no difference whether we pay out \$10 or \$10000 a month. A checking account will serve your needs.

Pay by check, the method puts system into your business and gives you a record of every transaction.

TREES

Plenty of time to plant trees. Our trees are kept in our large, cool, cement building now and are held back so they will be good to put out for several weeks yet. We keep no trees in our building in winter, and only recommend the hardiest and tried varieties that do business in Northwest Nebr.
