Senator LaFollette, it is announced will soon declare himself a canditate for the republican nomination for president. Not long ago LaFollette would have been gladly welcomed as a presidential candidate. That was when he was such a bitter foe to the Payne-Aldrich tariff bill. He was condemning that tariff as a breaking of platform pledges. Now he is lined up with Gallinger and Smoot and the special interests that are fighting reciprocity, and has not a word for the democratic tariff reduction bills.

U. S. Officers Inspect Military Reserve.

Col. C. A. P. Hatfield of 13th cavalry, commander of the department of Missouri and Major D. B. DeVore of the general staff were were here Sunday to inspect the military reserve. They were shown over a greater part of the reservation by C. H. Cornell. These officers were detailed to inspect all military reserve in the department of the Missouri and probably has no bearing upon the recent petition sent to Washington by Cherry county people to open it for settlement.

Contracts have been entered into by the State Fair Association with the Wright Company of New York for two aeroplanes and two aviators to make two flights each day of the Fair, Sept. 4 to 8. Last year, Hoxey with one machine was secured for the flights and when he went into one of the barns on Tuesday morning it deprived numbe s of our people from witnessing this modern attraction. The management does not intend to have such an accident to one machine disappoint their patrons, so have gone to an added expense to secure two complete outfits that people who come to one of the best fairs on earth will not be disappointed this year.
