A new departure at the 1911 State Fair September 4th to 8th will be the Coin Turnstiles at the General Admission gates. Instead of the customary stop and purchase of tickets at an outside ticket office, the fair visitor will walk to the turnstile and lay down his fifty cent piece which drops into a slot, releasing the lock and permitting the person to pass through. Therefore when you come to the State Fair this year be sure to have a 50-cent piece, as nothing else will unlock the turnstile.
