Old Settler Meets Death in Well.

While working at the bottom of a well on the Ben Hobson place near Harmony, Monday, Perry Bryant an old settler of Cherry county sustained an injury which resulted in his death. The well is 106 feet deep and curbed up the entire distance. A stone about three inches in diameter was dislodged from the top and crashed downward striking Mr. Bryant on the head, fracturing his skull. He did not regain consciousness and died Tuesday morning.

Mr. Bryant was highly esteemed by all who knew him; which was attested by the large funeral, there being fifty-six vehicles in the procession to the cemetery.

Mr. Bryant was fifty-one years of age and for thirty-three years had been a resident of this county. He leaves a wife and eight children, all being present at the funeral, which was held from Harmony school house at 10 o'clock Wednesday morning, burial was in Harmony cemetery. Rev. H. E. Wells of Crookston preached the sermon. The A. O. U. W. lodge of which he was a member had charge of the services.

Card of Thanks.

We wish to thank everyone for their tender sympathy, kind words and assistance at the time of the accident and death of our beloved husband and father.

Mrs. Perry Bryant and family.

Miss Noyes Has Narrow Escape.

While bathing in the mill pond Tuesday afternoon, Miss Hazel Noyes came very near drowning. She is a good swimmer and was swimming out from the ice chute. When quite away out her feet became entangled in the moss and not being able to extricate them she became exhausted. Her plight was noticed by those on shore and her companion Josephine McLean who was some distance ahead. Mr. Bates waded out as far as he could, but not being able to swim, had to stop at least twenty feet away. Miss McLean reached her as she went under the fourth time and assisted her to where Mr. Bates was waiting. Miss Noyes did not lose her presence of mind at any time and aside from the thought of how near death she was, is none the worse off for her experience.
