**THE DOCTOR'S QUESTION**  
Much Sickness Due to Bowel Disorders  
A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that ninety-eight per cent. of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.  
Rexall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal track. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effects. They are especially good for children, weak persons or old folks. Three sizes, 50c., 25c. and 10c. Sold only at our store—The Rexall Store, G. A. Chapman.

**IN THE WORLD OF SPORT**  
Sherwood Magee, Phillies' Hard Hitting Outfielder.

Photo by American Press Association.  
Sherwood Magee, the hard hitting outfielder of the Phillies, may wear a Brooklyn uniform next season. President Ebbetts says he is anxious to land the Quaker star for his club and has offered Pitcher Bell, Infielder Zimmerman and an outfielder for Magee. Some time ago Magee was suspended for hitting Umpire Finerman. Since he was reinstated by President Lynch he has played fine ball. The addition of Magee to the Dodgers would greatly strengthen the club. Besides being a strong batter, he is a fine fielder and a speedy baserunner.

**Pitcher Chalmers All Around Athlete.**  
George Chalmers, one of the pitching sensations of the Philadelphia National league team, is a motorcycle rider as well as a box artist. Before he joined the Phillies Chalmers occasionally picked up a little spare change during the winter months acting as pacemaker for Elmer Collins, the bicycle rider. Chalmers has paced Collins several times in the latter's races against Bobby Walthour. Chalmers, however, doesn't intend riding any more. He fears a spill that might injure his arm and affect his pitching. Chalmers at one time had an ambition to become an automobile race driver. He gave up this notion when he got his chance to join the Quakers, however. The big right hand pitcher is not sorry that he sidetracked that ambition, for his pitching now is yielding him a healthy income.

**Dan Kelly's Record.**  
Forest Smithson, the noted hurdler, has written a letter, it was announced recently, to James E. Sullivan, secretary of the American Athletic union, in which he flatly declares that the record of 9 3/5 seconds for the 100 yard dash, credited to Dan Kelly and alleged to have been made at Spokane, Wash., June 23, 1905, was a prearranged fake.  
The record long has been questioned. It was not allowed by the A. A. U. until an investigation extending over six months was made. Recently the officials of the A. A. U. decided to revoke the former action, pending the outcome of another investigation.  
In his letter to Secretary Sullivan, Smithson gives particulars of the alleged frameup.

**Pitcher Moren is Resting.**  
Pitcher Lew Moren of the Cincinnati Reds has not thrown a ball all season and says he does not intend to. Moren says that he is acting entirely upon the advice of Bonesetter Reese. He had his arm treated by Reese last winter, and the famous surgeon told Moren that he would ruin his arm forever if he attempted to pitch this season. After next season, Moren says, he will retire from baseball for good. He says that he intends to have one good season before he retires and thinks 1912 will be his banner year. Moren is going to Mexico on Dec. 20 and will train until it is time to report to the Reds for the opening of the season.

**Ball Valuable Substitute Infielder.**  
Cleveland critics now claim that Neal Ball is the most valuable substitute infielder to either league. The Yankee discard was shipped to a minor league last spring, too, and had to plead for a chance to stay with the Naps.

**Monument For Ublan.**  
A monument is to be erected just outside the historic race course at Goshen, N. Y., to commemorate the feat of Ublan, C. K. G. Billings' champion gelding, in trotting a mile there recently in 2:02 3/4.

**Manager Clarke Likes Hendrix.**  
Manager Clarke of the Pirates is of the opinion that Claude Hendrix will develop into a star next season. Clarke says Hendrix has advanced faster this year than any of his other young pitchers.
